CREDIT
ANALYST
Our multi-billion dollar company is renowned as the leader in manufacturing of computing and electronic measuring devices. As one of the nation's largest industrial companies, we offer outstanding opportunities for talented professionals.
We currently have an opening for a Credit Analyst in our metro Detroit office. The preferred candidate will provide credit and collection services to assigned customers and sales districts while maintaining direct responsibility for accounts. The individual will evaluate credit risks, make decisions or refer to higher level levels of credit authority with recommendations. The ideal candidate will have a creditable knowledge and experience in accounting and procedures is critical to the position. Personal skills, combined with a commitment to the establishment of lines of credit, the collection of accounts receivable and the resolution of process problems are a facet of this position.
All applicants for this position must demonstrate excellent written/verbal communication and organizational skills, along with proven ability to provide a high level of customer satisfaction. A Bachelor's degree in Finance, Business Administration or equivalent combination of education and prior experience is desirable. The preferred candidate will also have two or three years of commercial credit experience. We offer a competitive compensation package and competitive salary. If you are interested in joining a dynamic and innovative company, please send your resume to:
BOX 542
Observer & Eccentric Newspapers
