Who says lake living's just fun in the summer?

Living on Ford Lake's great 365 days a year. In summer there are all the water-sports, tennis and sun-worshipping pleasures. In fall, the color change is spectacular when you take a walk or jog. In winter, the cross-country skiing, snowmobiling, snowman-building, ice-skating and ice-boating are tops. (So are the indoor pleasures of watching the snow fall through your balcony window.) It's active, Year-round on the outside. Quiet and peaceful on the inside. See all that the designer-decorated 1 and 2 bedroom contemporary apartments can offer you. Now.
