ARE YOU LOOKING FOR A CHANGE?

I love my new job. My old job was never like this. The work is fast paced and challenging. I work between 42 and 48 hours in a week displayed showroom. I enjoy people and get great personal satisfaction from helping them. I now earn more than $3000/mo. and I'm not the highest paid salesman at my company. I also have a full benefits package including major medical and dental, paid vacations and even profit sharing.

Is this sounds like you, we should talk.
