Amerisure
EDP Opportunities
Amerisure Companies, a leader in the property and casualty insurance industry, is seeking experienced DP professionals to join our IBM, state-of-the-art Data Center in Southfield. Positions are available for:

Systems Analysts
Providing Technical guidance to DP staff through analysis, development, design and implementation of the computer system. Qualifications include knowledge of application systems, project management techniques, programming languages (COBOL), JCL, and utility programs. Minimum of 1 year experience in system design or analysis.

Methods Analysts
Evaluating new and existing methods and procedures of work flow and making recommendations to ensure quality service to our customers. Minimum requirements include general knowledge of insurance procedures and/or data processing plus methods analyst or related experience, or 1 or more years methods experience. Excellent communication, human relations, and organizational skills.

Programmer Analysts
Responsibilities include analyzing, designing, coding, testing and implementing COBOL programs of varied complexity and wide ranging applications. Applicants must have knowledge of COBOL, JCL, software utilities, OS/MVS operating system and a minimum of 1 year program design experience.

Programmers
Successful candidates will test, de-bug and code programs in COBOL as well as analyze and design coding for new and existing programs. Requirements include Associates Degree in DP or 1 year experience using COBOL. Experience interfacing with a computer operating system, structured program writing, coding and design and de-bugging methods.
