MANUFACTURING SUPERVISOR
Capital Equipment Company

A progressive and innovative industry leader with more than 50 years of successful experience, TPS HOLCROFT seeks a knowledgeable professional capable of overseeing and directing the electrical, piping and assembly aspects of capital equipment projects. In this position, your duties will include training, scheduling, job assignment and ensuring project completion within an established budget.

In addition to a minimum of 5-10 years experience in a union environment, preferably in a job shop or custom manufacturing firm, excellent communications/interpersonal skills are essential. A strong sense of organization, detail-orientation and leadership abilities are a must.

As a leader in our industry, we offer a very competitive compensation commensurate with excellent benefits package and a friendly career environment. For prompt consideration, send your resume in confidence to:

TPS Therme Process Systems Inc.
Holcroft Inc.
TPS Technologies Inc.
12068 Market Street, Livonia, Michigan 48150
