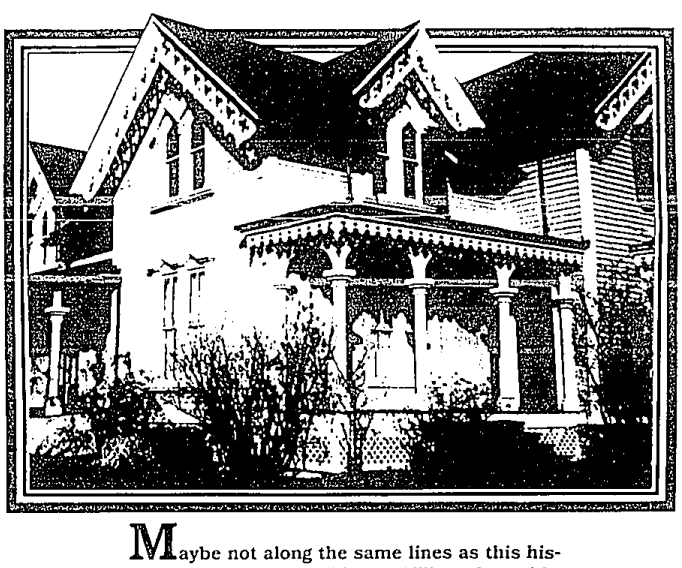
Yes, they do build 'em, like they used to.



Maybe not along the same lines as this historic centerpiece in Mill Race Village, but with equal care and quality.

And when it comes to telling a prestige audience about your current homes for sale, there is no better place than The Observer & Eccentric's Creative Living Real Estate section.

Here is a newspaper section that regularly features the largest selection of suburban real estate ads in Southeastern Michigan.

Published twice each week on Monday and Thursday for an audience of more than 350,000 adult readers in 24 affluent communities, this popular section has been tailored for our satisfied Realtors who continue to be pleased with the results they receive.
