When RPS developed its new small package delivery service - we also developed a great company for you.
Here's what's available to you as an owner/operator of an RPS package van:
• Participation in the delivery business created by an innovative, high technology package system that has used state-of-the-art technology to expand into a 42-state service in just five years.
• The equipment and financing resources of an aggressive subsidiary of Roadway Services, Inc., one of the country's major transportation companies.
• The kind of income that matches your ambition and reflects how hard you want to work when you put yourself in charge.
• Access to group health and life insurance.
If you're a delivery driver, courier or have small package pickup and delivery experience, you owe it to yourself to see how far ahead you could be as an owner/operator with our exciting company.
