Finance
Principal Financial Consultant/ Financial Consultant
We are a premier Michigan energy company undergoing significant changes impacting our business processes. As a result, we are establishing an exciting new team of principal financial consultants and financial consultants with a customer driven focus and high visibility within the operating areas of the business. We seek bright, highly motivated and self-directed individuals with financial or accounting and financial professionals.
In order to qualify for either of the positions, a Bachelor degree in accounting or finance or a Bachelor degree in a technical discipline with 3 years experience in accounting or finance, or a Masters degree in business administration or taxation is required. In addition, the qualified principal financial consultant must have at least 3 years of financial experience in several of the following areas:
- external financial reporting
- corporate federal and multi state tax compliance
- management of budgets, forecasts, policies and procedures
- development and implementation of new business functionality
- business process administration and coordination
- tax systems development and administration
- activity-based costing
- accounting for revenue, leases, financial instruments, operating expenses and capital expenditures
- regulatory accounting methodology

Exceptional communication and leadership skills as well as a strong knowledge of financial software packages and PC skills. Excellent Word and PowerPoint are also critical.
In return you will receive an opportunity to work with state of the art technology in a dynamic, team-oriented environment with an emphasis on continuous training and career development. We offer a competitive salary and benefits package. Relocation is provided. Qualified and interested candidates should respond in confidence by submitting a resume and cover letter including recent salary history, postmarked no later than Oct 16/95 to:

NEED A CHANGE OF SCENERY?
As a TruGreen Chemlawn *Lawn or Tree Care Specialist*, the outdoors will offer far more attractive scenery than being cooped up in an office. But that's not the only scenery we're talking about. We're also referring to company attitude and environment.
Here's an opportunity to earn good money with excellent benefits, including medical, dental, and 401k. You must be at least 21 years old with a good driving record and ability to pass a pre-employment physical/drug screening.
Please apply in person at:
