Now you can place your Observer & Eccentric Classified Ad 24 hours a day!

Here's how it works:
First, you *must* have a touch-tone telephone.
Then, all you do is call us—remember, it doesn't make any difference if we're not here—to place an ad, cancel one or change something on one you've placed earlier.
Let's say it's 10 o'clock at night and you've just realized that you forgot to include the fact that the car you're selling has air conditioning. It's a good selling point, so you punch up our classified number and wait for the operator to guide you through the steps for changing your ad. Have in mind the exact information you want to give us, speak clearly and a bit slower than you usually do. And that's it.
If it's after 5:00 p.m. on Tuesday, your changes will be made for the next Monday paper. Or, if it's after 5:00 p.m. on a Friday or the weekend, your changes will hit the Thursday papers.
Pretty neat, huh?
Of course, our Classified Ad Takers are here every Monday through Thursday from 8:00 a.m. until 5:30 p.m. and until 5:00 p.m. each Friday. But now, if you miss them, you can still do something about your ad—at your convenience.
