HIGH TEAM HOLDS LEAGUE TITLE

May Play St. Johns for the State Title.

ALL BOYS PLAY STELLAR GAME

By Virtue of Interscholastic Rules Farmington Retains the Football Championship of Last Year on a Tie Game of 0-0 With Dearborn.

In one of the best games of the season the Farmington High boys held their opponents at will the Dearborn team, being unable to break through Farmington's strong line.

A rather slippery field held both teams from making any fast "get-aways," but end runs and line plunges were plentiful.

Dearborn boys had a large gathering at the field and Farmington responded with an extraordinary turnout.

The outsiders lost their only chance of a touch down when they tried a forward pass within a few yards of the goal. This was stopped by Catherman, who caught the ball and started for the Farmington goal posts. An exchange of

punts netted Farmington 25 yard in the last half but they lost the advantage on an intercepted pass.

The Farmington team is to be congratulated by the Enterprise readers in their fine athletic sportiveness. All through the season the boys have played a strong game of football, showing good judgement, playing square and cancelling no games, and now their victory sought is theirs.

Mr. Prescott, as coach, is an able successor to Mr. Babcock who led at the end of last term; and Mr. Prescott credit is given for whipping the material into shape for a winning team.

Athletics have placed Farmington High on the map in such a way that attention has been drawn to the school from all over the state.

YOUTH BREAKS ARM ON PORCH

While playing on the back porch of Will Walter's home, Gerald Parker, son of Mr. and Mrs. Carl Parker, slipped and fell, breaking his left arm close to the wrist.

As no doctor was available in the village, Mr. Parker took his son to Harper hospital, Detroit, to have it set.

LOCAL NEWS.

The next meeting of the Ladies Union will meet with Miss Ada Boynton on Friday, November 25.

A good attendance is desired. Sewing on aprons and arranging for the bazaar to be held December 17th, will take place at this meeting.

Farmington retained the Four Square League, foot ball champion ship by virtue of a 0-0 game with Dearborn here last week. It was the fastest game seen on the local gridiron this season. The Farmington team outplayed Dearborn in every quarter except the quarter when the visitors got the ball within Farmington's 10-yard line. Three yards in four downs was all that Dearborn could do, however, and Catherman punted the ball out of danger. The local boys made consistent gains through the line; Tredway, Smith and Catherman doing stellar work in that line. The defensive work of Harger, Catherman and Wixson was outstanding features. The work of Kanous and Banfield in aerial work is also worthy of mention.

GOERS COON.

Mr. Carl Goers of the village, and Miss Ada Copon of Redford, were quietly married at Pontiac a week ago last Tuesday.

Mr. and Mrs. Goers are wished by their many friends, the best of luck and happiness in their matrimonial venture. They will reside at the home of the bridegroom's father, Mr. Charles Goers, on Grand River Avenue, in this village.
