DATA PROCESSING
C.U. Processing, Inc., provides Information Management Systems exclusively for credit unions through a network of regional data centers. We are looking for high initiative self-starters who share our commitment to excellence.

REGIONAL DATA CENTER MANAGER
This position is responsible for overseeing the supervision of the following Company Data Centers: Escanaba and Grand Rapids, MI; Cincinnati, OH; Danville, IL, Knoxville, TN; and Lowell, MA. In addition, you will be responsible for employee supervision, revenue generation, expense budgeting, interfacing with corporate offices and credit union management; ongoing business development; must oversee standard levels and error recovery. Qualified candidate must be motivated with strong organizational skills, analytical skills, excellent written and oral communication skills, ability to travel, and management experience.

CONVERSION AND TRAINING REPRESENTATIVE
We currently have two Representative positions in our Southfield Office. You will be responsible for converting credit unions to our Software. UNIX experience a plus. In addition, you will deliver high quality training and retraining to new and existing customers. Experience in a credit union, bank, and/or data processing environment a plus. Approximately 85% travel required locally and nationally.

TECHNICAL SUPPORT ANALYST
This position is responsible for supporting customers on UNIX SCO and OSF platform by providing knowledgeable, professional, and timely support. Responsibilities include answering questions on the on-line software and troubleshooting whether the problem is a software or hardware issue. Qualified candidate must be motivated with strong organizational and research skills; possess strong accounting skills; experience in database conversion; UNIX SCO/OSF; customer service experience. Some travel required.

NETWORK CABLING TECHNICIAN
This position is responsible for configuration of wiring and installation for our networking division. You will go on site to our customer office and wire for the network. Candidate must be able to work independently, able to travel, complete a project on a timely basis, and have a pleasant demeanor. Previous network cabling experience or electrical engineering a plus. This is an entry level position.

We offer a competitive salary and excellent benefit package. Please send resume and salary requirements to:
Human Resources Manager
C.U. Processing, Inc.
28200 Lahser, Suite 100
Southfield, MI 48034
No phone call please.
