REV. WILLIAM CALDWELL

## Mormon Meet Set

Scouts of America before being named to his church post in 1945.

The conference session at which Elder Young will speak is scheduled at 10 a.m. Sunday, Jan. 11, in the Livonia Jay, 10 and 11.

Elder Young was a professional executive of the Boy Scouts of America before being named to his church post in 1945.

## Mercy Sets Study Of Christian College

A fresh approach to the whole concept of "The Christian College" will be given Monday, Jan. 5, at the pre-planning session for members of the faculty of Mercy College of Detroit.

Two sessions will be held in the Student Conference Center, 9 a.m. to 12 p.m. and 1:30 to 3:30 p.m.

Brother Ipsaro, the speaker, envisions a pilot satellite school as an alternative to the traditional Catholic School where he believes courses in religion have been taught primarily through a catechism approach.

BROTHER IPSARO seeks a school which a brother will help develop a generation of Christians able to take Christian humanistic values and adopt them as a life style rather than merely learning about them.

He believes strongly in religious - oriented schooling and is deeply concerned that the church is pulling out of educational communities because of financial problems, areas where he believes the Church is needed most.

He also feels the resources are still available to make the world just a little bit better and that his Christian school proposal is one of the ways to benefit the world in general and Catholic education in particular.

The planning session proper will begin with a general faculty meeting on Tuesday, Jan. 6, and continue at intervals through Jan. 23.

GEORGE B. PARKS has been appointed to conduct a five-month program to raise \$1,500,000 for national crisis projects conducted by the American Lutheran Church. The "Project Neighbor," will be conducted during 1970. Parks is an ALC layman from Los Angeles.

## Cohen Sets Church Talk

Carl Cohen, professor of philosophy at the University of Michigan, will be the guest speaker at the Jan. 9 services of the Birmingham Temple. The services begin at 8:30 p.m. in the 830 and Frost Junior High School on Scotia north of Nine Mile in Oak Park.

Cohen's topic will be "The Future of Political Parties." Pastor Leonard Koerner, 453-3793, will lead the 10:30 a.m. Sunday School 9:15 a.m.

In Reelford Township — Lola Park Ev. Lutheran Ch. Pastor Edward Zell 332-8855. Worship Services 8 and 11 a.m. Sunday School 9:15 a.m.

## Jewish National Fund Drive Begins Jan. 8

In 1970, Jewish National Fund Month will be observed from Jan. 8 to Feb. 6.

It was nearly 70 years ago that the Jewish National Fund undertook the task of land reclamation and afforestation in Israel. Through its efforts, arid and largely uninhabitable and unproductive land has become green with lush crops. Settlements have taken root, trees cover the countryside and a network of vital roads have been built.

SUPPORTED largely by coins dropped into the blue and white J.N.F. moneyboxes in Jewish homes and institutions around the world, the agency began purchasing land in Palestine at the turn of the century. Today, J.N.F. is the sole agency responsible for all land development in Israel.

No cultivated land was ever sold to J.N.F. and only 2.5% of all land acquired was cultivable at the time of purchase. The rest had to be laboriously cleared before it could be farmed. By 1947, 97% of all Jewish settlements were on J.N.F. land.

As hundreds of thousands of immigrants began pouring into Israel after 1948, J.N.F. stepped up its land reclamation. Between 1948-67, 512 new settlements were created on J.N.F. developed land. This was twice the number that had existed when the state was born.

J.N.F. developed land. This existed when the state was born.

This is a **New Year** 1970 like 1970. There's never been a year like 1970.

You can meet the challenges of the year if your life is yielded to the Power of God.
