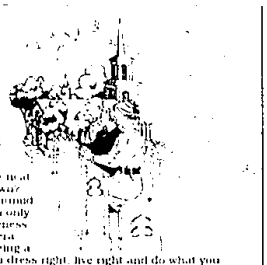
YOUR HOUSE OF WORSHIP IS 20 DEGREES COOLER INSIDE



Has the midsummer heat been getting you down? Not to mention the humidity factor, which can only add to the oppressiveness of the soaring temperatures. Of course, being a sensible person, you dress right, live right and do what you can to offset the discomforts of the season. You spend as much time as your lifestyle will allow in air-conditioned places, and maybe at the ol' swimmin' hole. However, there is one more place you might add to your itinerary in search of a pleasant environment: your House of Worship. More than just a haven of refuge from the heat, it's a place for all seasons. However, in summer, the only warmth you will feel there is the comforting assurance that God's love is with you all year round, no matter what it says on the thermometer!

Now God comes to thee, and all times are his seasons.
-John Donne

"To every thing there is a season, and a time to every purpose under heaven.
Ecclesiastes 3:1
