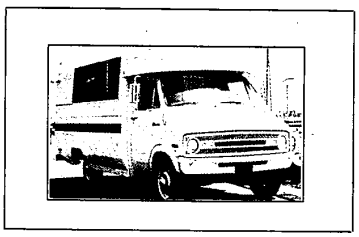
BALBOA . . .



The Dual Purpose Motorhome

gives you double the pleasure and value. It's a station wagon and motor home you can use 365 days a year!

Now, for the first time, you can own a luxurious, completely self-contained 18-foot motorhome plus a beautifully designed station wagon combined in one rugged, safe and easy-to-drive recreational vehicle!

Before we designed the BALBOA, we talked to a lot of people. We asked a lot of questions. We found that 8 out of 10 people wanted a motorhome they could use every day of the year.

The BALBOA answers every need. It's built of strong fiberglass and steel by craftsmen who have been building ocean-going yachts for years. Huge picture windows of safety glass make the BALBOA the lightest, most pleasant motorhome you've ever seen.

There's a beautiful moulded fiberglass bathroom that even has a shower. The kitchen unit contains a range and oven, stainless steel sink, hot and cold running water, gas/electric refrigeration.

The BALBOA accommodates 4 adults and 2 children. There's storage capacity that only a yacht designer could provide. The interior decor was planned by a professional interior decorator to please the most discriminating taste.

This is the recreational vehicle that makes it sensible for every family to own a motorhome. For a demonstration drive or the name of your nearest dealer call or see Tel Twelve Dodge. Do it today.
