

Plums--and Prunes

The good things of this world have to be planned for, worked for, struggled for. There is no easy road to success. The plums are few—the prunes many.

Nothing will insure the success of your plans quite so certainly as a well-formed saving habit. An account at the bank, no matter how small, is an incentive to further saving. There is a satisfaction in watching your account grow, because it will in time be big enough to secure for you the things you have planned for. Our bank is a good bank for you.
