ARE YOU LOOKING FOR A CHANGE?
I love my new job. My old job was never like this. The work is fast paced and challenging. I work between 42 and 46 hours in a well displayed showroom. I enjoy people and get great personal satisfaction from helping them. I now earn more than $3000/mo and I'm not the highest paid salesperson in my company. I also have a full benefits package including major medical and dental, paid vacations and even profit sharing.
If this sounds like you, we should talk.
