

Christmas Shoppers:

Consider carefully this practical suggestion for a New Year Resolution "I will buy a choice piece of real estate in or near Farmington."

The Reason

I know that Detroit's suburban development is still in its infancy and that Farmington is one of Detroit's most ideally located suburbs, therefore, land values are sure to go up—probably above our wildest dreams.

BUSY DAY FOR DEPUTY
Deputy sheriff Meyers had a busy day of it Sunday in the role of a Good Samaritan to autoist who were in trouble. They were pulled out and the young people sent on their way. Henry Spencer of Lansing, was found in trouble, his auto being stalled in a rut. He was given necessary help.
