HOW FAR WILL YOU GO IN THE FINANCIAL BUSINESS?

ANSWER:

It's up to you. A western Wayne County financial institution is looking for talented and experienced men who are willing to prove their worth. Because management isn't too young to retire, there isn't a dead end in sight.

Good junior officer material, with college background, accounting know-how, and a strong ability to communicate would meet primary requirements.

If we're your kind of organization, you'll have plenty of chance to show what you can do. There's no limit on how far you can go.
