ADULT EDUCATION GROUP STARTS MEMBERSHIP DRIVE

The recently-organized Adult Education Association of Michigan, a cooperating agency, opened an intensive one-month membership appeal this week.

A goal of 2,000 members has been set by this new state-wide organization, which already has wide support from labor, industrial business, civic, educational and professional groups.

Directing the membership drive will be Mrs. Grace Kistler of Grand Haven, president of the Michigan Federated Woman's Clubs, and Dr. Morton Sobel of Detroit, regional director of the Anti-Defamation League.

County and city chairmen are being selected now by Otto Yntema, of Western Michigan College, president of this new state organization.

The nominal membership fees will be used to publish a newsletter, serve as a referral of consulting service, provide a directory of adult education resources, and to support other allied activities in the general interest of promoting adult education in Michigan.

Vice-president of the association, John Holden, of the Continuing Education Service of Michigan State College, will supervise the membership campaign.

This new organization was formed last May at a constitutional assembly which included 200 persons from 85 organizations and 42 communities.

Bruce Treweek Awarded Degree From U. Of M.

Harnden, Green Rites Performed

LYNDA MARIE HARNDEN

Lynda Marie Harnden of 25333 Novi Road and Judd David Green of Plymouth were joined in marriage Saturday, September 4, in evening ceremonies performed at the Novi Methodist Church.

The bride was lovely in a white lace, satin and tulle ballerina length gown with long lace sleeves. She wore a finger-tip tulle veil fastened to a lace bonnet set with pearls and she carried a colonial bouquet of white roses.

The double ring service was conducted by Reverend John McLucas with Mrs. Celia Sharpe offering organ selections "Because" and "The Lord's Prayer".

Susan Harnden, sister of the bride, was maid of honor. She wore a mint green taffeta gown with matching shoes and hat and carried yellow tea roses. William Sullivan, a friend of the groom, acted as best man with Donald and James Green, brothers of the groom, serving as ushers.

The bride was given in marriage by her father.

For the wedding the bride's mother chose a blue taffeta dress with matching jacket and wore a glomelia corsage. The parents of the groom are deceased.

Following the wedding a reception was held at the American Legion Hall in Northville. The hall was decorated in blue and white with a buffet lunch being served by Mrs. Margaret Marshall.

The couple are now honeymooning at Lake Charlevoix. They will be at home at 43230 Grand River after September 20.

Both newlyweds are graduates of Northville High School. Green is employed with Lord's store in Dearborn.

Shoppers In For Many Surprises

New styles and designs in all sorts of goods are on the way and will show up in the stores between now and Christmas.

Shoppers will be intrigued by even bigger screened TV sets, by smaller radios, odorless paints, rugs made of new synthetic fibers, more prepackaged meats and vegetables, brightly colored furniture.

Clothing styles for men are in for a period of upheaval, with emphasis on dark suits and unconventional colors in ties, shirts, and sportswear.

New body and motor designs are scheduled for at least a half dozen cars.

Innovations ahead for the kitchen include electric frying pans which stew, braise and thaw frozen foods; toasters equipped with thermostats to assure satisfactory toast no matter what kind of bread is used; copper plated garbage pails; seven-pound vacuum cleaners which hang from the shoulder; and electric table ovens for potatoes, rolls, biscuits. A minor boom is expected in electric hot water cups — good for everything from brewing instant coffee to boiling eggs.

All this fresh merchandise is expected to put fire under slow-to-buy customers. Experts hope high volume of retail sales will guarantee that business conditions will be healthy through the winter.
