Simple, honest, straightforward. How else would you expect to lease a Saturn?

By now, you've probably heard about the Saturn buying experience. No hassles, no pressure, no fuss, just common courtesy, along with a pretty great car.

Well, the way we see it, your experience shouldn't be any different if you want to lease a Saturn. After all, what could we possibly gain by making things any less straightforward than they have to be?

($168/Month $1000/Down 36/Months)

SmartLease payments based on 1994 Saturn SL Sedan, 5 speed, AC, MSRP $11,210 excluding taxes, title, license fee and insurance. First month's lease payment of $168 plus $200 refundable security deposit and down payment of $1,000 for a total of $1,368 due at lease signing. Option to purchase at lease end for $6614. Payments total $6048.

GMAC must approve lease. Mileage charge of $0.15 per mile over 36,000 miles. Your payments may be higher or lower. Lessee pays for excessive wear and use.
