Population Figures Projected to 1975
Farmington is still growing; and regular population projections continue to be made by the School District.
Supt. G. V. Harrison presented the latest figures to the School Board on November 9.
Harrison stated that projected totals for 1975 show that there will be 70,000 people in the district. Of these, 14,000 will be elementary students, 5,600 will be junior high students, and 4,200 will be senior high students.
Harrison said that this is a "conservative" projection.

The Clarenceville School Scene

• By HAROLD W. KEIVIT

Many Activities Scheduled At Schools in Clarenceville

SENIOR HIGH: A senior high school curriculum study meeting will be held on Monday, November 23, 1964. All senior high school students will be excused at 1:40 p.m. The senior high school teachers will then report to curriculum meetings from 2 p.m. until 4 p.m. This notice will not affect any students in the junior high school or the elementary schools.

BOTSFORD: Miss Mary Jo Zion of the Ginn Company lead Mrs. Zilch's first graders and Miss Swigert's third graders through a reading demonstration for new teachers in October and on Thursday, October 22 some 150 parents turned out to hear Mrs. Jane Prebo discuss Modern Math.

EDGEWOOD: The 4th, 5th, and 6th grades at Edgewood have been busy producing dermatologists, astronomers, and entomologists respectively. Looking at skin under a reading glass and microscope helped the fourth grade class work better diagrams of skin and its composition. They hope to soon be able to meet one night and look for Jupitor and Saturn as well as other space items. The sixth grade has learned much about insects and many of the students are no longer afraid of "bugs".

GRANDVIEW: David Thayer's room provided the students and teachers of Grandview with much excitement as well as information as their goldfish began laying eggs and hatching fish. Students observed egg growth and the hatching process under micro-projectors.

WESTBROOK: The sixth grade at Westbrook, under the direction of Mrs. Patricia Vickery presented a Greek Festival last week as a part of a social studies unit on ancient Greek living. An olympic demonstration, sculpture and pottery, mythology, and folk dances were all part of the program. Mrs. Joyce Mutnick and Mr. Ted Mallires aided in this program.

HIGH SCHOOL: The American Field Service, Clarenceville Committee, headed by Mrs. Warren Mills of Livonia announced the names of the four finalists to be sent on to the National A.F.S. for final selection. Those named to represent Clarenceville were: Seniors, Linda Harrington, Deborah Johnson, and Sharon Rudman, and Junior Gerald Litwin. Each of the seniors have selected the school program while Gerald has chosen the summer program. Each is now waiting word from the national committee meeting in New York before final plans are determined. Other Clarenceville finalists were: Warren Berger, Suzanne Fell, Lynn Fouts, Barbara Harden, Pamela Milarch, Allen Rauschert, Linda Sunday, and Linda Thornton.

JUNIOR HIGH: Adding another game to the football schedule helped our team to an even better season. The Junior High Trojans defeated Christ the Good Shepherd of Lincoln Park by the score of 13-6 to finish the year undefeated. American Education Week will find the Social Studies classes studying International Relations (Monday), Richer Personal Life (Tuesday), Good Citizenship (Wednesday), National Economic Growth (Thursday), and Better Communities (Friday).

Studying Plan for Greater Use of Schools in C'ville

The idea of a community school open to all people of a district during evening and Saturday hours, and offering a wide variety of classes for growth and enrichment has sparked a great interest among some people in the Clarenceville School District.

This interest was so great that Clarenceville was happy to join with the Livonia Public Schools and City of Livonia when invited to develop a study of its possibilities. Several members representing these groups have made visits to the Flint Community Schools for a closer study.

At a recent meeting of the Clarenceville Board of Education a resolution was adopted to continue cooperation with other groups and to join with them in making a survey of the needs within this area.

IT WAS ALSO stated that Clarenceville would file jointly with Livonia or financial assistance from the Mott Foundation of Flint to develop a pilot program in one of our schools. If such a pilot program proved to be successful and the people of the district wanted it continued and or expanded, then other schools would be added to the program.

This program would offer classes of interest to young and old and during times when attendance would be most possible. These classes would be taken by people wanting scholastic credit, improvement of skills for a job, or just the fun of the class. The classes would be taught by well qualified instructors and the fees would cover only the cost of necessary materials. More information about this program will be available soon and you will be asked to help make it a success.

Jim Gaskin Appointed WXYZ Account Exec.

WXYZ Radio has announced the appointment of Jim Gaskin as a Local Account Executive.

Mr. Gaskin was with WJR Radio in Detroit for five and one-half years. He is a graduate of Wayne State University . . . with a degree in Business Administration.

WXYZ's new Account Executive and his wife, Norma, have three daughters. The James J. Gaskin family lives at 21532 Lakeland in Farmington.

The appointment was announced by Robert W. Koch, Local Sales Manager for WXYZ Radio.

AN EMERGENCY WATER supply for residents of Meadowbrook Hills Subdivision in Farmington Township was provided Tuesday of this week as Township Supervisor Curtis H. Hall (left) and Township Clerk Floyd A. Cairns succeeded in obtaining a tank truck to station in the sub to service homeowners. About six homes in the sub had their wells go dry due to an interruption of a water vein caused by construction of the Tarabusi Sewer Arm in the Halstead Road and Eight Mile Road area. The dry wells in Meadowbrook Hills will remain so temporarily until the sewer line can be completed in that area.

School Vehicles Are Offered for Sale
The Board of Education, at a meeting on November 9, authorized the Farmington school administrators to re-advertise for sale one bus which was not sold and two passenger automobiles, a 1959 Plymouth and a 1960 Ford.
Four of five buses advertised previously had been sold. Bids for the school vehicles will be taken at the Administration Building on November 18, at 4:00 p.m.

Cunningham's Jingle Bell Ball Climaxes 75th Anniversary

A gigantic Jingle Bell Ball to elaborately climax the 75th anniversary celebration of Cunningham Drug Stores, Inc., will be held at the Statler Hilton Hotel in Detroit, Tuesday, November 17.

Ray A. Shapero, president of Cunningham Drug Stores, Inc., announced that all managers and supervisory personnel of stores in Michigan and their wives have been invited. Also, supervisory personnel from as far away as Florida will also be on hand to join in the festivities.

One of many highlights will be the presentation of 25-year awards to 21 veteran employes. To date this brings the total of 138 employes who have received 25-year service pins and appreciation gifts. This year, two employes from Florida and seven from Cleveland one from Pittsburgh will be recipients.

Metropolitan Detroit employes receiving their 25-year awards will be Louis Burstein, Paul Coussen, Edward Knoll, Wayne Loveland, Mrs. Marcella Mulany, Mrs. Theresa Saam, Ray A. Shapero, William Bankson, River Rouge and Edward Ruszkowski, Lincoln Park.

Mr. Nate S. Shapero, father of Ray and now chairman of the board of Cunningham Drug Stores, Inc., will receive an Honorary Life Membership from the Michigan Pharmaceutical Association for his outstanding contribution to the pharmaceutical profession. He has already received his 50-year Certificate from the Michigan State Board of Pharmacy. The framed life membership parchment will be presented by Robert Johnson, executive secretary of the Michigan Pharmaceutical Association, Lansing.

"Jumbo Jack," ponderous mechanical son of "Jumbo," another world-famed animated pachyderm, will provide the theme for the celebration.

Detroiters will recall "Jumbo," the huge mechanical elephant brought to Detroit some years ago by Ches B. Larson, chairman of the Executive Committee, Cunningham Drug Stores, Inc.

"Jumbo Jack" is the symbol of the elaborate 75-day, nationwide Cunningham birthday celebration under way now and continuing through November with spectacular, sensational prizes valued at $75,000 for the public. These prizes — $75,000 worth awarded each week in the "Jumbo Jack" coupon contest—range from trips to Mexico, to cameras and other merchandise.

Cunningham Drug Stores, Inc., one of the largest drug chains in the United States was formed in 1931 as a merger of Cunningham's founded in Detroit in 1889 by the late Andrew Cunningham and the Economical Drug Stores founded here in 1918 by Nate S. Shapero.

The chain currently owns and operates over 214 drug stores and employs over 10,000 persons in Michigan, Ohio, Indiana, Pennsylvania, Florida and California.

Just this past month Cunningham's announced the purchase of 14 drug stores from Whelan Drug Company, Inc., of Florida, by its Broward Drug Store Division, thus making the Broward Division the largest within the chain. For the first time the company will have established stores in metropolitan Miami.

More than 80 of the units serve the Wayne-Oakland-Macomb tri-country area. Some of these operate under the name of Kinsel, but comprise an integral part of the chain.

During its tremendous growth into a corporate entity, Cunningham officials insisted over the years that its outlets retain the "corner drug store" concept.

Award Accepted For Mich. Tube By L. L. Walker

Mr. Wm. A. McHattie, Chairman of the Board and President of Michigan Seamless Tube Company, South Lyon, Michigan, announced that the company has been awarded third place award for its stockholder annual report in the "Steel Producers" classification in this year's 28th Annual Report Survey, sponsored by Financial World, the nation's oldest business and financial weekly.

Mr. L. L. Walker, Vice President, Treasurer and Controller, attended the annual awards banquet on October 27, in the Grand Ballroom of the New York Hilton at Rockefeller Center, to accept the award for the Company. Mr. Walker resides at 33833 Glenview Drive, Farmington.

About 1,000 business, industrial and financial leaders from throughout the United States and Canada witnessed the annual awards presentation by Mr. Richard J. Anderson, editor and publisher of the 62-year-old Financial World.

Dr. C. Northcote Parkinson, noted British economist, historian and writer, who visited this country especially for this event, delivered the principal address.

Plat Approved for Proposed Sub., Sec. 30

A plat of a proposed subdivision submitted to the Farmington Board of Education for their consideration was approved by them at a regular meeting on November 9.

The plat was for Meadowood Estates proposed to be built in the southwest quarter of section 30, near Nine Mile and Halstead Roads.
