Junior Play Committee Heads Chosen

Rehearsals which began on Monday, March 9, for the Junior Play, "Room For One More," are progressing well, according to assistant director, Mr. Eugene Schoenrich.

The chairmen for the various play committees have been chosen and have started preparations for the play which is to be held on April 17 and 18.

The heads of the committees are: Gary Tinkle, properties and costumes; Carol Schramm, stage crew; Carol Dustin, lighting and sound affects; ushers, invitations, tickets, and programs are headed by Mary Warner; Kathy Mackingham is on advertising; and Phyllis Schmidt is the chairman of the make-up crew.

This year's student directors are Irene Hyland and Sharon Bailey.

Miss June Turner, a grad of F.H.S., has been helping out the make-up committee and giving the directors quite helpful hints.

All-School Play Plan Next Year

There will be an all-school play next fall, instead of individual class plays, according to information this week from Mr. James Geiger, principal.

The faculty has yet to vote on the issue, April 7, but they will likely go along with the idea.

Mr. Raymond Sherpitis, the speech instructor and play director, made the suggestion earlier this year.

An all school play, which will have a cast composed of the senior, junior and sophomore classes, should produce better results, as there should be more people trying out for parts.

"Minor details such as how the money will be divided will be decided by the three class officers next fall," Mr. Geiger said. "The play will take place in the spring, so as not to interfer with sport activities," he added.

Sr. Prom Plans Move Forward

As the days move on, so do the plans for the senior prom, "Bali Hai."

Following the election of chairmen, committees have started work.

The tickets and programs committee has done what could be termed the impossible by procuring both tickets and programs for the prom, free of cost.

Advertising commiteemen have also done the impossible. With the help of Mr. Raymond Glenn's art classes, they have turned out numerous posters with practically no expense to the Senior Class. The committee has also made plans for a series of ads in the B&W and a series of announcement over the school's public address system.

Other committees have had meetings but have not come to any definite decisions.

The floor committee has many ideas: palm trees, a large mountain, a pond and a waterfall. The pond and waterfall will be waterless.

Cheerleader Tryouts Start

Practices for girls trying out for next year's cheerleading squad began on Thursday, March 19, after school.

With the advice and assistance of this year's cheerleading squad, 50 girls began practicing skills, jumps, stunts, and other phases of the art.

Practices will continue until enough girls have been eliminated so that the judges will have a reasonable number to choose from.

The girls will practice every Monday and Thursday from 3:15 - 4:30 until final tryouts are held.

EASTER VACATION recess will begin after the close of school today, March 26. School will resume again on Wednesday, April 1, April Fool's Day.

ASSEMBLY! A National Honor Society assembly will be held in the gymnasium, Wednesday, April 1, at 2:00 p.m. upon return from Easter vacation.

Teachers and the Honor Society of the faculty have elected those seniors to be honored.

FHS Students Like Languages

Foreign language enrollment last week had a surprisingly great increase. However, since then the enrollment has decreased slightly.

There was a 32 per cent increase in the Latin enrollment. It has since dropped by 13 per cent leaving an overall increase for the year of 19 per cent.

The French enrollment last fall increased 56 per cent. It has since then dropped 13 per cent, resulting in an increase of 43 per cent for the present school season.

There has also been a 16 per cent decline in Spanish enrollment. Last fall there was an increase of 50 per cent, leaving an increase of 34 per cent at present.

Because advisors are still in the process of scheduling classes, there is no way of determining what the increase or decrease will be next year.

Future Nurses Talk By-Laws

The Future Nurse's Club of Farmington Senior High held a meeting last Wednesday, March 18 to discuss plans for revising the Inter-Council of Future Nurses By-Laws and arrangements for two fields trips that are coming up in the near future.

In order for the club to send delegates to the State Council they will have to revise two sections of their by-laws. The club has to elect officers to the state council and put a clause in their constitution providing for the payment of dues.

On April 9 the girls will take a trip to St. Joseph Hospital in Detroit and on May 11 they will visit Shapero in Detroit.

On St. Patrick's Day the future nurses took candy favors to the Sara Fisher Home for children.

Falconaires at Kiwanis Meet

The F.H.S. Falconaires sang at the Farmington Kiwanis Club Tuesday, March 24. They sang three selections "Shenandoah", "Yonder, Yonder" on which Diane Franjac, a '56 grad, was the soloist, and "My Fair Lady". Diane also sang two other selected solos.

On Wednesday, March 25, the Falconaires sang on a forty minute program for Couples' Club at the Methodist Church. A variety of songs were used for the program. The group sang, "Thou Must Leave Thy Lowly Dwellings," "The Lord's Prayer," "Shenandoah," "Yonder, Yonder," with Mary Ellen McLain as soloist, and "My Fair Lady".

Louise Lind sang a solo and Dick Stumbaugh played an oboe solo called "The Swan".

A reading, "Huck and Jim Talk About Kings" was given by Marta Hentschel.

See Exhibits At Big Fair

Donald Howell's Biology II classes journeyed to the Detroit Light Ghard Armory to observe the exhibits at the Detroit Science Fair last Friday, March 20.

Howell stated that the purpose of the field trip was to observe the scientific exhibits and to encourage future participation in the science fair by students from this school. None of this year's Biology II students submitted projects to the fair.
