SPECIAL MEETING
TOWNSHIP BOARD

A Special Meeting of the Farmington Township Board and officials of Village of Quakertown was held on March 20th, 1959, at Township Hall, and called to order at 7:45 p.m. Members of the Township Board present were Stephenson, Cairns, Avery, Brown, Hug, and Westlake; Fisher absent. Members of Village Council present were Isabelle Haynes, Clerk, Morley Taylor and Mrs. Kurtz. Mr. Robert Clark, CPA, also present, as was Mr. Brennan, Township Attorney.

Referring to Digest by Township it shows estimated population for Township of 8,606 homes x 3.7 as 24,442; Quakertown 112 homes x 3.7 as 414. We have counted these homes and we come up with a figure of 113 homes—not much difference. We have also used the figure of 3.85 as to the number of persons per home. However, let us disregard that. Petition for Incorporation as a Village, under the law, had to take a census in the territory to be incorporated. We did take such a census. After the Charter was adopted we had to file a copy of it with the Secretary of State and we had to give the population as it was on the date we finally became incorporated which I think was the 27th day of February. What we did was take the actual census that was taken, 422 originally, and we made a survey of the movements away and to the Village—that is—the additions of population, and came up with the figure of 435 population. That, I understand, was certified to by the Clerk of the Village as is required by Statute, and that certification has been sent to the Secretary of State as being the population of the Village. We desire to have that figure taken as the true population, rather than the estimate which is here given as 112 homes x 3.7, because we think it is a much more accurate figure.

MOTION by Brown, supported by Avery (after hearing comments from other Board members), the adoption of Resolution tonight, changing date on Resolution to Friday, March 20th, 1959.

Roll Call Vote — 6 yeas. Carried, unanimous.

RESOLUTION

Moved by Brown,
Supported by Avery,

That the following Resolution be adopted:

WHEREAS: The Village of Quakertown was incorporated on February 27, 1959 from part of Farmington Township and is entitled to its pro rata share of the amount that would otherwise thereafter be due said township in respect of population in the township from any future distribution of state sales tax receipts, intangibles tax revenues, and any other state funds, moneys or grants which, by law, are required to be distributed among cities, villages, townships and/or counties of the state.

AND WHEREAS: It is necessary to establish a ratio of population for the Village of Quakertown and Farmington Township, upon which said pro rata share shall be determined.

NOW, THEREFORE BE IT RESOLVED, that in the absence of a Federal census and in lieu of a special census, the respective governing bodies of the Village of Quakertown and Farmington Township, pursuant to the applicable laws of the State of Michigan (M.S.A. 5.1520), mutually agree by this joint resolution that on February 27, 1959, the population of Farmington Township including the Village of Quakertown was 25,433 and that the ratio therebetween is 1.71%.

BE IT FURTHER RESOLVED, that this figure is reached by a method satisfactory to both said governing bodies, namely on a count of homes in Farmington Township 6,606, and in the Village of Quakertown 113, and that this ratio shall be effective when adopted by each of said governing bodies and shall be controlled and remain in full force and effect until the next Federal Census shall have been taken and a new ratio established thereby.

Ayes: 6.
Nays: 0.

I hereby certify that a regularly called meeting of the Township Board of the Township of Farmington, held at the Township Hall, Farmington, Michigan, on Friday, March 20, 1959, the foregoing Resolution was adopted.

FLOYD A. CAIRNS
Farmington Twp. Clerk

The Village will also adopt a similar Resolution, using same figures of 25,433/435—1.71%.

Meeting adjourned at 8:30 p.m.

Members of Township Board present were Stephenson, Cairns, Hug, Westlake, Fisher and Brown. Mrs. Avery absent. Members of Board of Education present were Tupper, Clifford, Fisher and Mr. James Read. Mr. Kelly, School Attorney, present, as was Mr. Brennan, Township Attorney. Mr. Robert Clark, Township CPA, also present.

MOTION by Fisher, supported by Westlake, that we present the Budget as prepared, asking the citizens to approve it on the basis of 1.5 mills, at the Annual Meeting on April 4th, 1959. Roll Call Vote — 6 yeas. Carried, unanimous.
