Safety Program Held Thursday At Middlebelt

The final assembly program for the current year was held on Thursday, June 4, at the Middlebelt elementary school.

The general topic was summer safety wherein children demonstrated safe and unsafe practices in an attempt to develop an awareness of increased hazards during the summer month.

A follow up activity in the classrooms was for each child to sign his "Summer Safety Pledge for 1959." It is hoped each child will post his pledge where it can serve as a daily reminder.

The 1959-60 Safety Patrol and Service Squad members were introduced. It was stressed that these students would be holding responsible positions, and besides regularly assumed duties, they would also be exhibiting leadership qualities through the fine example they must set for others.

New Patrol members are: Captain Hal Stanberry, Lieutenant Lawrence Kaczor, Lieutenant William White, Richard Bogatinoff, Dennis Drotar, Dennis Moore, Robert Murphy, Clifford Terry, and Bruce Segur. For Service Squad are: Captain Judy Martin, Lieutenant Beverly Lord, Lieutenant Sue Smithem, Sandra Carlson, Mary Godley, Nancy Gresehover, Karen Hillard, Susan Innes, Karen Ridley and Kathleen Sheehan.

At the close of the program Miss Linda Taylor, fifth grader, was presented with a Citation of Merit from the American Legion Auxiliary for participation in the Poppy Poster Contest. Linda's schoolmates proudly applauded her as she also received the third prize award, a check for $2.00.

The Women's Association meeting this month was held at Ruth Weaver's with some 28 present. It was very nice to welcome Pat McGrath, who will be moving into Windy Hill before too long, and Ellen Ambrose who lives next to the Clarks on Wellington.

A warm welcome is extended to Noralee and Lee Allen Barkley, who have moved into the new home they had built for them at 28454 Wellington, corner of Millbrook. They actually moved in May 12 but I did not find anyone at home until this past week when Noralee was taking a day off from the furniture store she operates and was enjoying having her mother Mrs. Barnes, out from Detroit to spend the day with her.

JIM DAVIS graduated from Howe Military School last Firday and is now home for the summer. He is going to work for Dunbar and Sullivan, a dredging company, till he starts at the General Motors School in October. Gary Collier's 7th birthday was last Friday. Part of the celebration came Saturday afternoon when he went with his family and pal, Gary Sevakis, to Birmingham to see "North West Passage." Sunday Shirley had nine cousins, aunts, and uncles over for a family birthday picnic.

THE TRIPPENSEES got back Sunday afternoon from a months trip. They drove out to Colorado, spent a few days in Boulder to have a visit with Jay, then went to the Tumbling River Ranch in Park Country, for several days of wonderful ranch life. This, of course, included horseback trips. One day they were up over 11,000 feet with magnificent scenery and some snow. They returned to Boulder for another weekend with Jay and did not go back to this ranch as it rained and then snowed. They did go to the Two Bar Seven Ranch at Virginia Dale where they stayed until it was time to return to Boulder to pick Jay up when college closed for the summer. Jay of course, helped with the driving on the return trip.

Last Friday evening the Rose Marie Floyd dance studio had its spring recital at the Dondero High School in Royal Oak. Billy and Susie Reader were in a tap dance entitled "Afternoon at the Beach": Some twenty young people acted out this theme. Denise Coller and Kyle McCarthy were in a ballet called "May Day Celebration" danced to the Faust ballet music.
