In loving memory of my grandmother, Minnie Ortwine, who passed away one year ago, March 26, 1959.
God knows how much I miss her,
Never shall her memory fade,
Loving thoughts shall ever wander
To the spot where she was laid.
Sadly missed by granddaughter, Shirley Ann Kirby.

In loving memory of Henry W. South, who passed on March 21, 1950.
Someone has said: He has achieved success who has lived well, laughed often and loved much; who has gained the trust of men and women and the love of children; who has filled his niche in life and accomplished his task; who has left the world better than he found it, whether by an improved flower, a beautiful poem or rescued a soul; who has looked for the best in others, and given the best he had; whose life was an inspiration; whose memory is a Benediction.
His loved ones.

Farmington Acres

MARIE J. MILLER
GR. 6-2099

Just like a picnic! That's what they all said—that is, those who attended the "Pot Luck Dinner" at Gill School, March 11th. They were entained by a police officer (whose name was not available) and his puppet friend, Jerry McSafety, whose personality and wit won the hearts of all the children. Those kindergarten "students" from the Acres who attend Gill School are: Mark Black, Kenny Lawske, Brad Wallis, Denise Trunick, Lisa Locker, Gail Kregowski and Mike Flynn.

If anyone would like to know how a Ladies Bridge Club manages, ask Bill Eisthalee of Lark St. Friday, March 14th was a memorable night for him. He was literally on his way out the door, when his wife Polly suddenly realized that they were one person short for filling three tables. And so, to the rescue, came heroic Bill. And a hero he was, to play Bridge with eleven women, and they were Polly (his wife), Pat Thibaudeau, Grace Mitchell, Phyllis Schmidt, Julia Wallis, Joanne Hassett, Sandy Schurr, Barbara Adams, Marilyn Gray, Jane Pierson and Polly Lawshe.

And so, for April 11th, you will find Grace Mitchell of Flanders, wondering if she should help her husband brush up on his Bridge for that date (just in case), as she will be the hostess for that evening.

SPEAKING OF April 11th, something else will be happening—rather important. That is—The voting on the water issue. Residents of the Acres did very well in registering. Out of 115 new voters, close to 75 were from the Acres. But don't let it stop there! Get out and vote. Needless to say—"It is your vote that counts" You all made such a terrific showing in registering—Let's see what you can do with voting. See you at the polls!

Get well wishes from one and all, go to Denise Trunick, 6 year old daughter of Ed and Darlyn Trunick of Larkspur. She is at the Detroit Osteopathic Hospital for a short while, under observation. Get well real soon Denise, we all miss you.

Good news to those residents of the second section of the subdivision. Remember those special pieces of important trim that you purchased for around your front door when you moved in? Like those address numbers. There they hang in dignity, chosen ever so carefully, so that everyone can see that this is YOUR home. And the mailbox— Ah Yes, that poor mailbox, how proud you were when you perched it in its' special spot, where it is ever so patiently awaiting the day when there will be mail inside of it, to warm its' dark, cold tummy.

How lonesome and cold it must be by now. Well, you can step outside your door, and give it a new life! Wipe it off and start getting it ready for that "Big Day", because before too long, that day will arrive. Imagine, with a little more patience of course, the mail will be delivered to your very own home. Our mail boxes salute the Postal Workers of the United States Government. Hurrah!

MRS. MAREN Plourde is still answering her telephone for those who would be interested in joining a womens' bowling league. Her number is GR. 6-2076.

Sunshine seems to be a great weakness for the John Scotts of Kirby. Sunday, John returned from a week long "business stay" in Sunny California. And Thursday, John and Bev his wife, are off to Kalamazoo, where they will leave their three children, Scotty, Paul and Jeanie with relatives, while they bustle and bustle about, readying themselves for a fabulous two week vacation in Florida. Wonder if they will be needing anyone to go along to carry luggage and open doors for them? Expense free of course!

And then there was the lady, who while trying to corral her neighbors' dog, lost her dignity by falling head first in a bank of snow. Brrrr!

The "Fearless Four-Some" again got together March 15th., for a wild night of Canasta. They were: Kay Hansen, Kathy Forbes, Vera Fisher and Pat Thibaudeau, whose home it was held at. Refreshments were served and a gay time had by all.

As the writer finds it rather impossible to contact each and every resident of the Acres, she would appreciate it, if you would call her when you have bits of news. Her phone number is listed at the top of the column.

April 11th., is also the anniversary date of Mr. & Mrs. Phil Kauffmann of Kirby. They have been married for one whole year now, and will be celebrating by having an eventful evening out.

City of Farmington Council Proceedings

A regular meeting of the Council of the City of Farmington was held on March 21, 1960.

Meeting was called to order at 8:00 p.m. by Mayor Lindbert.

ROLL CALL: Bates, Brotherton, Lindbert, Peterson and Thayer present.

Motion to read: Motion made by Thayer and supported by Brotherton that the Council has no objection to the request from Frank B. Nager and Jerome H. Logan for a new SDD License in conjunction with their 1959 SDM License located at 24089 Orchard Lake Road.

ROLL CALL:
AYES: Bates, Brotherton, Lindbert, Peterson, Thayer.
NAYS: None.
Motion carried.

Petitions and Communications

A. Communication from Albert P. Herzog, Representing Twin Valley Corp. re Basement Homes in Twin Valley Subdivision. The Clerk read a letter from Albert P. Herzog, Attorney, requesting that the matter pertaining to permission for basement homes on certain lots in the Twin Valley Subdivision. Mr. Herzog and Mr. Breidenbach were present and requested that the Council reconsider their action on March 8, 1960, to rescind the motion made on March 7, 1960, regarding basement homes on certain lots in the Twin Valley Subdivision. After a discussion the Mayor called for an indication from the Council members.

Motion made by Brotherton and seconded by Lindbert to establish that no basements shall be built in the Twin Valley Subdivision with basements plus elevation less than 708 feet, subject to the Developer placing a restrictive easement of 50 feet on the rear of lots abutting the river, indicating that portion as a flood plane and that no structures may be erected thereon, and that this restriction be prominently set forth in all agreements to purchase or build with the provisions that all basement excavations be inspected by the City Engineer before footings are installed.

ROLL CALL:
AYES: Brotherton, Lindbert.
NAYS: Bates, Peterson, Thayer.
Motion lost.

B. Request of Nicolay Dancey, Inc. for Building Permit for Metal Building. Mr. Keith Heiss, Contractor, and Mr. Ilgenfritz, Architect for Nicolay Dancey, Inc. were present and submitted plans and pictures of their proposed development of their property. Council decision was tabled until next regular meeting.

RESOLVED that Detroit Bank and Trust, now paying agent for City of Farmington—Water Supply and Sewage Disposal System Revenue—Bond and Interest Redemption Fund —1955 be designated as depository.

ROLL CALL:
AYES: Brotherton, Peterson, Thayer, Bates.
NAYS: None.
Resolution adopted.

C. RESOLUTION re: Paving of Cloverdale from Power Road to Maple Street. The Clerk placed on file a petition containing more than 65% of property owners requesting the paving of Cloverdale Street from Powers Road to Maple Street.

Motion made by Brotherton and supported by Peterson to adopt the following resolution:

The following preamble and resolution was offered by Councilman Brotherton and supported by Councilman Peterson.

WHEREAS, a petition has been filed with the City Council, duly signed by owners of more than sixty-five (65%) per cent of the frontage of the following described street, requesting construction of street improvements consisting of street paving, curb and gutter and drainage structures on the following described street:

CLOVERDALE FROM POWER ROAD TO MAPLE STREET

AND WHEREAS, the Council deems it necessary to acquire and construct said street improvements;

NOW THEREFORE BE IT RESOLVED THAT:

1. The City Manager is hereby directed and ordered to cause to be prepared plans and specifications for said street improvements and a detailed estimate of the cost thereof.*

2. The City Manager is directed to file the same, together with his recommendations as to what part of the cost thereof should be paid by special assessment and what part should be paid by the City at large, and the lands which should be included in the Special Assessment District, and his findings as to the necessity of the improvement and the life thereof, with the City Clerk for his examination.

AYES: Peterson, Thayer, Bates, Brotherton.

NAYS: None.

Resolution declared adopted.

Miscellaneous

A. Request from Charles Kelly re: Planning Commission Action, Minutes of Planning Commission at meeting held on March 10, 1960, regarding motion to change Article 14.08 Section 5 in the Zoning Ordinance to include R-1-E when the property is abutting commercial on the side lot line and fronting on a Major Thoroughfare. The motion was carried, all ayes. The Council tabled the recommendation for further study.

Members of the Alta Loma Home Owners Association were present and asked the Council of their interest in the problems of the City and the future of the Community.

Ordinances
