Fashion Show, Prizes Planned at Kendallwood Center Grand Finale

Grand opening festivities at the Kendallwood Center are in full swing and plans are now being formulated for the exciting finale to the gala Grand Opening days.

The final day of the Grand Opening, Friday, September 9, will feature a fashion show from 6 to 9 p.m. followed by the selection of prize winners. Grand opening prize tickets are available now in each of the stores in the Kendallwood Center and are offered to visitors at no charge.

Prizes will include a white fox shrug, a portable TV, a bicycle, a clock radio and an electric can opener.

A truly outstanding fashion show is being planned, complete with strolling musicians and vocal selections by the Kendallarks, a talented local singing group.

FEATURED AT the show will be furs by Dittrich, coiffeurs by Fayee Hair Stylists, childrens clothing by Hepner's Childrens Shop and latest fashions by Continental Knits.

In addition to the fashion show, beautiful flower arrangements by the Hill and Dale Garden Club and the Farmington Garden Club will be displayed at the Trend Gift Shop in the Kendallwood Center.

Everyone is invited to attend the events of the grand opening program and a special invitation is extended for the fashion show and prize presentation. Don't forget to fill out your prize tickets and become eligible for the valuable items to be awarded.

The grand opening celebration at the Kendallwood Center officially got underway last Thursday, August 25 heralding the opening of five new stores in addition to the Food Fair Super Market and Arnold Drugs which had been in operation for several months.

THE NEW STORES are Fayee's Beauty Salon, Grimes Drive-In Cleaners, Hepner's Children's Shop which houses Gabe Shoes, Kendallwood Barber Shop and Trend Gift Shop.

Just adjacent to the Kendallwood Center is a $150,000 medical center housing both doctor and dental offices with ample parking facilities available for patients.

In addition, a Fred Sanders store is nearing completion and should be open soon and the branch office of the National Bank of Detroit is also about ready for occupancy.

Long before ground was broken for the first store in the Center the developers of the 10 acre site, Kendallwood Enterprises Inc., polled the residents of the community as to what type of stores they would like to have serving them. The results of this survey were tabulated and the developers went to work acquiring the type of retail outlets preferred by the people.

Expect Heavy X-way Traffic Over Holiday

Incoming traffic on the Brighton expressway was extremely heavy last Sunday, according to Township Police who are anticipating an even greater flow of cars this coming Labor Day weekend especially if the nice weather continues.

Despite the congestion only one personal injury accident occurred on the expressway and neither of the two persons injured was seriously hurt.

The accident involved three cars which collided bumper to bumper when the first one had to make a quick stop to avoid the car in front of him.

Alvin Fust of Lincoln Park was the driver of the first car. Neither he nor any of his five passengers was hurt. One passenger in the second car driven by Leo Pollard of Garden City and a passenger in the third car driven by Emma Olbrigh of Wayne were taken to Redford Community Hospital.

IN ANOTHER accident last Friday a car driven by Larry Shelton of Novi collided with one driven by Francis Kwell of Farmington at the Middlebelt Grand River intersection when Shelton's brakes failed to function properly. Passengers in both cars were slightly shaken up, according to police reports, but no one was visibly injured.

A third traffic mishap occurred Monday at the 13 Mile Orchard Lake Road intersection when a car driven by Catherine Hamilton of Milford collided with one driven by Saul Rubin of Detroit.

Roads to Get Patching Only

A preliminary cost estimate of over $6,000 to re-surface all unpaved streets in Alta Loma subdivision made two weeks ago was reaffirmed as being correct by Ass't City Engineer Larry White at the City Council meeting Monday night.

Action was taken by the Council at its last regular meeting two weeks earlier rejecting a proposal that pee gravel and a double seal coat be applied on the streets due to the fact that it would be too costly. The action was taken based on the preliminary cost estimate made by White but they asked that he get some firm figure estimates on the proposed job.

Representatives of the Alta Loma Home Owners Assn. present at the meeting expressed only mild objection to the decision. They pointed out that some bad spots on roads in the subdivision had still not been patched and asked that these areas be taken care of as soon as possible. The mayor was authorized to instruct the department of public works to refill and repack all holes still existing on roads in this area.

Earnings from work account for more than 70 percent of U.S. national income, the U.S. Labor Department points out.
