Christmas excitement was only children can express it was prevalent at the Dodt residence on Wayburn, Sunday, Dec. 16. Mrs. Margaret Dodt leaves for Florida next week and was able to spend the day with 16 of her 22 grandchildren. A party complete with sandwiches, ice cream and a snow man cake and punch and presents. But when Santa's helper knocked at the door, the children were inquisitive as to where the reindeer were parked, some were a little hesitant, and some were very eager to express their wishes.

Last Tuesday Pat Neveau of Chesterbrook hit 600 at the Northwest Bowling Lanes in the Ladies League. Rolling 193, 198 and 209 she will receive a plaque from W.I.B.C. Congratulations, Pat.

Everyone is excited in the David and A. J. Browne household on Nottingwood. On November 29 at Crittenden General, a son joined the family of 8 girls, Janeen 16, Nanette 13, and Susan 6. David Walter Browne, Jr. weighed 9 lbs. 11 ounces.

"Mrs. Robert M. Davis and children wish to extend sincere gratitude for the physical and spiritual support received by them during their recent loss. It has been and continues to be a tremendous comfort to live in a neighborhood where ones' personal loss is shared so keenly by ones' neighbors" Mrs. Robert Davis.

Let's hear from Ann . . . Mr. and Mrs. Albert Shepherd had a Christmas party last Friday evening to celebrate the coming holiday. Enjoying the gala affair were Sid and Joyce Kalman, Dick and Ann Bogh, Don and Renee Kelly, Harry and Marge Schultz, Gerry and Jo Schmidt, John and Jayne Beiseigel, Bob and Carol Mino, and some guests out of the neighborhood. There was a bulging Santa bag that held a gift for everyone. Some games were played and a delicious supper was served. Marge Schultz won the prize for the game of "Song Title Drawings".

Marge Schultz held the Nestlewood Bridge Club meeting for the month of December. Playing the two tables of Bridge were Jayne Beiseigel, Jo Schmidt, Renee Kelly, Joyce Kalman, Ann Bogh, Pat Shepherd, and Jeanne Wikort. Jayne and Jo were the prize winners of the evening. After the cards were put away, gifts were exchanged and refreshments were served.

MARY AND TOM GIBNEY held a surprise Birthday Party for Cliff Burke at their home on Nottingwood last Saturday night. Evon and Ted Sellers, Pat and Jack Hatfield, Alyene and John Baldwin, Tom and Elaine Palmer, Agnes and Cliff Burke and the Gibneys made up three tables of bridge. Ted and Evon Sellers copped both of the bridge prizes for the evening. Paul and Ray Margbers and Harry and Pinkie Davidson dropped by later to give their Birthday wishes. Many dime store gifts were given to the very surprised honored guest. Among them was a car model and several thousand dollars in play money to buy accessories for it. Cliff was also presented with a cake decorated in red and white by his wife. Refreshments were served to put a finishing touch on the party that will long be remembered by Mr. Clifford Burke.

This Christmas message I take from my column of last year. "Someone once said that pure metal shines brighter the more it is rubbed. Christmas is like that. Its spirit never tarnishes nor grows dull, but rather becomes brighter with each succeeding year. And how glorious it is to have one thing that has endured for centuries!"

Council Okays Change in Plat

The redivision of four lots in Twin Valley Subdivision requested by V.O. Roy, developer, came in for a lengthy round of discussion by members of the City Council at their regular meeting Monday night.

The initial plot plan called for four rather narrow and quite deep lots on Twin Valley Court. Due to terrain conditions, Roy requested that the lots be widened on Twin Valley Court and cut down to three in number with a fourth lot of triangular shape being allowed on high ground fronting on Farmington Road by reduction of the depth of the other three lots.

Concern was expressed as to whether the lot on the high ground would be big enough or of suitable shape to permit a satisfactory home there. After a thorough explanation, all but Councilman Henry Forrest were convinced that this would be an improvement over the present lot division.

The Council approved the change by a vote of 4-1.

Discuss School Smoking Issue

A resolution has been adopted by the Clarenceville Board of Education designed to strengthen and clarify present policy regarding smoking in school buildings.

This matter was discussed at some length at the last regular Board meeting on Thursday of last week before action on the resolution was taken. Adoption of this resolution was prompted by a recent fire at the high school caused by a student who was smoking in one of the rooms in the building. The student was suspended from school as a result of the incident and has still not been allowed to return.

A proposal has been made that students apprehended violating the smoking prohibition in the future be suspended from school for a full semester with loss of credit on a first offense and be permanently expelled if a second offense should occur.

City to Install X-way Signs

The City is now going to put up its own signs off the Grand River expressway to better direct traffic using the super highway toward old Grand River and the business sections in Farmington.

Council action was taken Monday night instructing the city manager to get such signs installed in view of the fact that the state highway department has indicated that they cannot or will not do much to help the situation which now exists.

Two weeks ago, Ed Balden, representing the Downtown Farmington Association, appeared before the Council requesting that efforts be made to get the direction to Farmington from the expressway better defined. A contact was made with the highway department but they offered little in the way of a solution to the problem.

Farmington Oaks

Edna Mosley — 474-2410 Betty Robertson — 476-0564

There's been a lot of activity in the Oaks the past two weeks and a good part of it has consisted of moving vans, coming and going.

During that time six families have moved into their new homes. The weather certainly wasn't the kind any of us would choose as "moving weather" but as we all know, from experience, when your new home is ready it takes more than bad weather to delay the moving day.

ELVIN AND BARBARA Field moved into their home on Tall Oaks Court first and are beginning to get settled. Their five children are Susan, Woody, Douglas, Mary and Darlene and their ages are 11, 8, 5, 4, and 3 respectively. The Field family moved here from Detroit and we're happy to have them in the sub.

Al and Joanna Walen, with their two children were about the quickest movers we've seen. While the moving van was unloading, the drapes were being hung. Someone was well organized. Deborah, who is 12 years old, is going to the Farmington Junior High School and David, age 10, attends Flanders.

Al and Joanna are both avid golfers and belong to a club in Brighton. Deborah was active in the girl scouts in northwest Detroit, where the Walen's previously lived.

The last vacant house on Tall Oaks Court was filled this past week when James and Barbara Carrather moved into their new home. The four Carrather children each attend a different school. Ann, who is 15 is a student at Ladywood in Livonia; Dave, 14, goes to University of Detroit High School in Detroit; Jane, 12, attends Farmington Junior High and Barbara, age 9, is a new student at Flanders Elementary.

Bridge and golf are two of Barbara and James' many interests.

CHARLES AND AUDREY Wheat moved into their new home on the corner of Tall Oaks and Farmington Road. They have three children; Ken, the oldest, is 12 years old; Roxanne is 9 years old and David is 5. The Wheats moved here from Oak Park and are originally from Canada.

When I called on Nora and Ed Blackwell they were very busy trying to figure out what to put where but were gracious enough to take a minute to tell me a bit about the family. The Blackwells moved here from Novi, where they lived for the past seven years. Before that they made their home in the Ferndale area. Farmington Junior High has another new student, Edward, 13. Jeffery, 10, and Jane, 5, are attending Flanders.

CATHY RUYLE spent the weekend of Dec. 8 in Redford at the home of her girlfriend, Laurie Garden. That Saturday, Cathy and Laurie attended a concert put on by the General Motors Chorus.

The chicken pox has claimed two more victims in the Oaks. Davey Wollman and Kathy Guyette have both been confined to their homes for the past week. We wish them both a speedy recovery.

This past Friday evening Nick and Juanita Abid opened their home to the Farmington Elementary Principals and their husbands or wives for a pot luck supper. Twenty-two persons attended and shared in food and fellowship.
