Introducing the ALL-NEW features that can introduce you to someone special.

ADVERTISER MATCH™
Advertiser Match lets you know when you place an ad – if there are other advertisers out there who are just your type. All you need to do is answer a few simple questions when you record your voice greeting and this new feature will immediately direct you to other advertisers who meet your criteria. Then, just call 1-900-773-6789 (Call costs $1.98 per minute. Must be 18 or older) to hear their voice greetings. The best part is, each time you call to hear responses to your ad, Advertiser Match will direct you to any new advertisers who meet your criteria.

AUTO BROWSE™
When you call and respond to a specific ad, this new feature will automatically let you know if there are other advertisers with the same profile. Then once you've left your first greeting, you can listen to as many of the other ads as you wish. Just think about it... with Auto Browse, you'll never have to worry about the one who got away!

Personal Interview™
With Personal Interview you'll record better, more interesting voice greetings and let listeners know even more about you. Here's all you need to know: when it's time to record your voice greeting, you'll be given the option of answering a few simple questions. Just take your time, and in no time, you've got a better, more interesting voice greeting than you ever thought possible. More interesting greeting... more responses. Better greeting... better responses. That's all there is to it.

SUPER BROWSE™
Similar to Advertiser Match, Super Browse automatically directs you to advertisers who meet your criteria. And like every other feature, it's so easy to use. When you call to browse ads, just answer a few simple questions and Super Browse will let you hear all the ads from people who are sure to be your type.

Frequent Caller™
It's no wonder Frequent Caller is our most popular feature. For starters, it makes responding to ads faster and more efficient than ever before. And of course, it's easy to use, too. When you call to respond to an ad, simply answer a few questions and you'll be given your own personal Frequent Caller PIN#. Then every time you call and enter that number, Frequent Caller will let you know if there are any new advertisers who meet your criteria. You'll never have to listen to the same ads twice AND, you can listen to more ads than ever... for less money!
