'Death of a Salesman' Opens Feb. 17 at Barn

The Farmington Players are hard at work on their upcoming production of Arthur Miller's award winning play "Death of a Salesman." The production opens Feb. 17 at the Players Barn on 13 Mile Rd.

For ticket reservation contact Harry and Fran Kezerta at 626-2633. The production will run three week-ends.

Nancy Harrower is directing the production which will include **George Tritton, Bessie Hannan, Bill Salisbury, Jim Blevitt, and Joel Hepner.**

Others in the cast include Harry Clark, Isabel Howard, Dennis Broadhead, Norman Hopking, Marian Wood, George Mullin, Louise Kirk and Peggy Sisko.

Cliff Dickson is designing the set.

Wayne State University assistant basketball coach Gus Vitolins led the Tartars in foul shooting as a junior in 1958-59.

Melodrama Starts Jan. 26 at Bentley

Bentley High School auditorium in Livonia will be the scene of the proverbial mustachioed villain stalking the stage in quest of the innocent heroine's love and fortune.

The curtain will rise at 8:30 p.m. on Thursday, Jan. 26, through Jan. 28 on the efforts of the Nankin Mills Players to bring you an authentic Mellerdramer, "Dirty Work at the Crossroads," in the veneraled style of Thoc.

After a successful sold-out engagement at the John Glenn School in Wayne two weeks ago, Director King Page brings the cast of this comedy in its original form to Livonia. Included in the cast are Vic Slapik, Jake Amperse, Jon Choate, Karen Wendt, in the leading roles, and Bob Knowles, Celesta Walker, Judy Birk, Dee Giddings, Ken Slapik and Jean Varterasian as supporting characters.

Joining in this enterprise is the Motor City Chorus, who will be singing the old favorites that enhance and expand the scenes and dialogue. Hearts will burst with nostalgia as the voices of these Michigan District Champions of the S.P.E.B.S.Q.S.A. ring out with beautiful barbershop harmony. Featured within the group will be the Close Chorders and the Treble Shooters' quartets.

Tickets will be available at the door or may be reserved by contacting any of the members or calling Jean Varterasian at 427-4297.

'Penta' Paintable

It's no problem to apply paint or stain to wood treated with preservatives of the pentachlorophenol type.
