HELP WANTED
Experience helpful but not necessary

Life sometimes seems like a battle, both in the small affairs of daily life as well as in the bigger, more significant ones. In the battle of good over evil, it doesn't always seem like the good guys win. Maybe in the long run they do, but in the meantime, the good guys need all the help they can get. To make matters worse, the "bad guys" sometimes seem to have better marketing. Evil can look very attractive, while virtue and goodness look like the proverbial "homely stepchild" that nobody wants. We really do need to join the struggle and give the angels some help. Think of all the unresolved social evils in the world: hunger, poverty, war, illiteracy, and myriad forms of injustice. We should appeal to the "better angels of our nature" to help us in this struggle, as we should be ready and willing to help the angels as they fight the glorious fight. God wants and needs our help in this fight, and every good act that we do makes the world a better place
