Salesmen AND Saleswomen
JUST READ THIS
A full disclosure ad:
I have spent three unsuccessful weeks of interviewing men for the position of ADMISSION COUNSELOR with future management opportunities. I am NOT looking for drifters, grifters, fast buck artists or fancy desk executives.
I want men who have the ability to work in the field (direct-to-the-home selling), with the self discipline to follow successful sales procedure. We supply expensive leads to our salesmen which they follow up in person, NOT via the telephone.
You must be a clean, industrious, bonafide, hard-working family man, over 30 years of age, with a NON-working wife, and not a 9-5er.
This is a real once in a lifetime opportunity for an excellent income ($20,000+plus), based upon commissions and bonus (spelled out in writing). Fringe benefits supplied.
Our name is ELECTRONIC COMPUTER PROGRAMMING INSTITUTE OF DETROIT. There are 90 + schools in our nationwide chain. We are the oldest, largest, and finest schools in the world, teaching Data Processing & Computer Programming. We don't canvas, use high pressure, half-truths, or gimmicks. We counsel, we administer an aptitude test to determine honestly if the prospect belongs in our school.
Check us out BEFORE you call to see if you qualify for a personal confidential interview. Be prepared to answer all questions on the telephone. Knowledge of Data Processing unnecessary. "Please don't bother me" unless you believe in life above and fit it.
