FIND HEALTH AND PLEASURE IN A MICHIGAN VACATION

The sunshine of Michigan's sandy beaches, and the warm waters of its thousands of lakes, spell health for young and old. And there is no better tonic than the invigorating, pine-scented air of this unexcelled climate.

Michigan's tourist and resort business brings large sums of money to the state each year. It provides employment for thousands, and greater prosperity for all of us. We can increase that business further by telling out-of-state friends about Michigan's vacation advantages and by spending our own vacations here.

And, no matter which part of Michigan you visit this summer, banish worry by telephoning home and office frequently. Call ahead for reservations, or to tell friends you are coming. Long Distance calls will add but little to the cost and much to the enjoyment of your vacation.
