Oldsmobile Dealer Announces Lower Prices

The new 1936 Oldsmobiles, just announced to the public, will be offered at new lower prices, according to Earl Vivier, Oldsmobile dealer in Farmington.

Although every proven feature necessary to safety, comfort, performance and economy has been retained and many new ones added in the new 1936 Oldsmobiles, the prices will be lower, the Oldsmobile dealer said.

"In addition to those advantages which have contributed so heavily to Oldsmobile success . . . such as knee action wheels, super hydraulic brakes, solid steel turret top body . . . many new refinements of motor, body and chassis have been built into the new 1936 models," said Mr. Vivier.

"Safety glass is now standard equipment throughout, in all body types. Electro hardened aluminum alloy pistons give increased economy of operation and smoother, livelier performance. Scores of other improvements have been built into these new cars.

"And despite the many additional values in these new cars the new low prices will effect reductions of as much as $57.50 in the delivered price of the Oldsmobile Eight and $17.50 in the delivered price of the Oldsmobile Six."
