DO YOU HAVE DOUBTS?
About a career in Real Estate. Well, frankly so do we! Because we've seen a lot of poorly ATTUNED, poorly MOTIVATED and poorly TRAINED salespeople come and go in Real Estate.
That's why we have aptitude analysis examinations to see if you can adapt to our tough, demanding and highly rewarding profession.
If you can qualify, you will be trained at Michigan's finest Real Estate School, Russell Real Estate Institute. Do you want some answers to these doubts? Call Don Harrison for an appointment.

Teen-agers are too often erroneously portrayed as lazy, too carefree and unconcerned about the harsh, hard work and realities of life. We at The Observer Newspapers do not agree with that view.

As we know them, teen-agers are mighty fine people who, if given half a chance, will work for every dime they earn. They're dependable, honest and willing. Of course there are exceptions, but they make up only a very small fraction of the whole group of teen-agers.

Busy Boys and Girls don't get into trouble. The young person who has a good job isn't going to become a juvenile delinquent. They're on their way to becoming good productive citizens, not public charges.

NONE OF THIS CAN HAPPEN unless YOU, the potential employers, find and offer work to these young people! . . . They want to work. Won't you give them a chance to prove it?

TEEN-AGERS WANT TO WORK . . . GIVE THEM THE CHANCE TO PROVE IT!
