Celebrate 8 Years In Partnership

F. Schumacher E. Zebrowski

This week marks eight years since Edward J. Zebrowski and Frank J. Schumacher formed their partnership as owners of the Union Wrecking Company, the Union Building Supply Company, and the Union House Moving Company. They are also celebrating their first successful year of operations at their main yard, on which they have built a modern hardware store and building supply sales center.

Special prices with big discounts are in effect this week, which is in celebration of their anniversary.

They are now wrecking between 15 and 18 houses per week. All salvage materials are trucked to the company's main yard, which is located at 31245 West Eight Mile Road and sold.

United Fund Drive

(Continued from Page One)

This includes the four Farmington area agencies as well as the state and county groups. The slogan of this year's campaign is "It Means More To You To Give Where You Live".

Plans are being made for a giant kick-off rally on the opening day, Friday, October 8. In the meantime, final organization is being completed by Omar Sanderson, campaign chairman.

Oakland County Blood Supply Below Needs

Oakland County's blood pressure is way down!

That was the conclusion reached by the Blood Advisory Committee of the Oakland County Chapter, American Red Cross.

According to Mrs. V. V. Van Fleet, of Bloomfield Hills, committee chairman and vice-chairman of the county blood program, the chapter has a summer deficit of 1191 pints of blood.

On October 23, all Red Cross volunteers are invited to go through the Detroit Blood Center at 153 East Elizabeth Street.

Kenneth R. Loomis, Mayor, stated that there were some facts which he wished to bring out and asked that the following comments be written in to the records of the Council of the City of Farmington:

In my testimony in the Boren matter when the plaintiff's attorney asked if I had stated that Mr. Boren's violation was not too serious to the Zoning Code, I stated "I do not recollect." The reason for my answer to that effect was to wind up the case. I recollect saying this situation was not too objective to the Zoning and Building Code providing Mr. Boren would cooperate and make some minor changes in the house which he intended to build.

Perhaps Mr. Boren's building does not create a safety hazard, but I do feel that every house should be kept in line. Two wrongs do not make a right. There is definite evidence with the Building Inspector that Mr. Boren went ahead with his footings without consulting the Building Inspector. Mr. Boren had built in the city before and was perfectly familiar with the laws here. He has a reputable builder who also built here before. It is true that the Building Inspector told him to "Go ahead" with digging the footings but he was advised not to pour footings until they were checked. The Building Inspector went over, found them out of line and put a Stop Order on the building and told Mr. Boren that the building was in violation of the Zoning Code. It was necessary that the Zoning Board of Appeals meet to decide whether or not Mr. Boren could proceed with the buildings. Mr. Boren went to Circuit Court and brought the matter to Judge Doty.

I am making personal comments — The Council may do as they wish. At the meeting of the Zoning Board of Appeals Mr. Boren did not appear. James Fletcher, the builder, appeared with Mrs. Boren. Fletcher stated that the footings were in and "Why not go ahead?" The reason why the Board of Appeals acted as it did — Mr. Boren avoided the Council and the Zoning Board of Appeals. He has not made any effort to cooperate or to work out the problem with the Council or the Board of Appeals. I have nothing personal against Mr. Boren — I do not know him. Had Mr. Boren come to the Board of Appeals and said "What can I do?" — every effort would have been made to work out the problem. However, again, I repeat, Mr. Boren has consistently refused to stand before the City Council or the Zoning Board of Appeals.

Several weeks ago about 6:30 p.m., July 24th, to be exact, Mr. Boren drove into my driveway just as I was leaving. He struck a utility pole, drove over my lawn, finally backed up and stopped. I waited while he got out of the car. He came to my car, threw a paper in the window and said "I want you to have this." Had I not been in a hurry I would have signed a complaint against Mr. Boren for Reckless Driving. The paper was a summons — notarized by a certain person but not signed by Mr. Boren. The summons has no signature.

I am sure that things could have been settled in an amiable way. There was nothing that could not have been changed. Contrary to the opinion of some people I do not make a fortune as Mayor of the City of Farmington. My services as Mayor bring me exactly $128.00 — I cannot make any more. I am trying to be fair to all of the people of the City of Farmington. If we are to have a Zoning Code, we must back up the Building Inspector in his effort to uphold it. That is why the Zoning Board of Appeals is backing up Jim Tennant. If he has done anything he should not have done, I will not hear of it; however, if he is doing his job I shall defend him to the last ditch. Since he has been Building Inspector he has tried to do everything possible to uphold the Zoning Code.

Whether or not I am Mayor for ten years or one year I am going to bring out the facts and have them voted on by the Council. In view of these facts I personally recommend that the case of Boren vs. Members of Zoning Board of Appeals and the Building Inspector be referred to and heard by the Supreme Court of the State of Michigan. I have nothing but the highest regard for Judge Doty but my personal opinion in the Boren case is that he has not used good judgment.

Motion made by Loomis that we carry the Boren Case to the Supreme Court of the State of Michigan and that we obtain the advice of the City Attorney in obtaining additional counsel. Motion lost for lack of support.

Motion made by Loomis and supported by Cavanaugh that the following Resolution to Instruct the City Attorney to Appeal Case of Boren vs. Zoning Board of Appeals to the Supreme Court of the State of Michigan, and to Authorize City Attorney to Employ Associate Counsel to Assist in Said Appeal as follows:

The City of Farmington Resolves.

Whereas John L. Boren filed a petition to the Circuit Court for the County of Oakland for a Writ of Mandamus against the Building Inspector of the City and certain members of the Zoning Board of Appeals to compel the issuance of a permit to construct a certain residence in the City of Farmington, which permit had been refused by the City Building Inspector and by the Zonng Board of Appeals, and

Whereas at the conclusion of the trial said cause the Honorable Frank L. Doty, Circuit Judge, rendered an opinion finding that the said John L. Boren was entitled to said permit for reasons stated in said opinion, and

Whereas the Council of the City is of the opinion and belief that said case ought to be removed to the Supreme Court of the State of Michigan.

Therefore, it is hereby resolved as follows:

1. That the City Attorney be and he is hereby authorized and instructed to take the necessary steps to remove said cause to the Supreme Court of the State of Michigan, for the purpose of having a final determination of all matters involved.

2. That the City Attorney be and he is hereby authorized and directed to employ on behalf of the City, the Building Inspector and the Zoning Board of Appeals the best counsel who in his judgment is obtainable to act with the said City as counsel in said appeal.

Motion carried, all yeas.

Motion made by Loomis and supported by Conroy that the City Manager be instructed to proceed with two wells on the city-owned acreage subject to site approval by the Michigan State Department of Health based on William A. DaLee, Incorporated, quotation No. D-54049. Motion carried, all yeas.

Motion made by Loomis and supported by Nourjian that the resignation of Harry W. Moore as City Clerk be accepted with deepest regret. Motion carried, all yeas.

Motion made by Loomis and supported by Cavanaugh that Harry W. Moore be appointed Deputy City Clerk at a salary of $50.00 per month. Motion carried, all yeas.

Motion made by Loomis and supported by Conroy that Kathryn D. Cotter be appointed as City Clerk, combining the offices of Clerk and Treasurer. Motion carried, all yeas.

Motion made by Loomis and supported by Conroy that Carl Goers and Harry Lapham and one of the following three persons be appointed to serve on the Election Board:

Mrs. George B. Heilker, 23234 Floral Avenue, Farmington
Mrs. Donn B. Dates, 23512 Floral, Farmington
Mrs. W. Allen Nelson, 23708 Warner, Farmington

Motion carried, all yeas.

Motion made by Nourjian and supported by Cavanaugh that the resignation of Arnold Jorgensen as Electrical Inspector be accepted with regret. Motion carried, all yeas.

Motion made by Cavanaugh and supported by Conroy that Alfred Benson be appointed as Electrical Inspector at the present fee schedule. Motion carried, all yeas.

Motion made by Conroy and supported by Nourjian that James Cavanaugh talk to Bayard Tupper regarding his letter of resignation. Motion carried, all yeas.

Motion made by Nourjian and supported by Conroy that bills presented for the month of August, 1954, be paid. Motion carried, all yeas.

Motion made by Conroy and supported by Nourjian that meeting adjourn. Motion carried, all yeas.

Meeting adjourned at 12:25 a.m.

Kenneth R. Loomis, Mayor
Kathryn D. Cotter, Clerk

OBSERVE NATIONAL LETTER WRITING WEEK OCTOBER 2 - 9

National Letter Writing Week will be observed this year from October 3 to 9. It is a time when all residents of Farmington and the surrounding area should join with others throughout the nation in national observance. "Write Now - - Today" is the theme this year and one that all should follow.

It takes so little time to write and nothing can be better than a letter from someone who is near and dear to you. Any serviceman, away from home for a long period of time, can well understand how much a letter can mean.

Why not make it a regular habit to write and write regularly during National Letter Writing Week, October 3 to 9. Make use of the many special postal services offered you also. There's Air Mail for speed, Special Delivery for quick action, too; Registry Service for important or confidential letters, and Money Order Service for remittance. These and many other conveniences offered by the Postal Department make letter writing in the United States an easy and convenient way of conversing.

Cpl. Boyce Returns From Korea, Being Discharged

Corporal Donald A. Boyce of Farmington returned recently from Korea and is now processing for discharge from the Army. He expects to receive final discharge papers this week end.

Cpl. Boyce arrived in the States September 16 and surprised his parents last week end when he came home on a three-day pass.

Boyce is a former Farmington High School student.

More than one-quarter million tons of bituminous coal was produced last year in Virginia by auger mining methods where large drills, some 6 feet in diameter, bore into exposed coal seams to bring out the fuel.

Adult Education

(Continued from Page One)

ment and advanced sewing by Mrs. Russell in the Homemaking Room.

Courses in shop, art, junior advanced sewing and knitting will start on Thursday, October 7. Ted Bielecki will instruct shop students in the Shop Room. Art will be taught by Mrs. Bess Tewksbury in the Art Room, sewing by Mrs. Russell in the Homemaking Room and knitting by Mrs. Dorothy Smith in the Library.

Advanced registration can be obtained by calling Ted Bielecki, Farmington 1220.

Classes in any courses will be offered if requested by 12 or more persons, Read stated. Three more sets are still needed for the square dance class, he added.
