The Professional Mechanic

finds himself looking up a good deal of the time. Up at transmissions, up at brake systems, up at drive lines, up at bearings, universals, axles, suspension systems and so on. Are YOU a Pro? If so, perhaps it's time you looked up ... looked up in regards to your own future.

Town & Country has been in business for 11 years. Many of our mechanics (our pros) have been with us 11 years. That should tell you plenty about the type of shop we have.

Due to retirements and increased business we need more Pros NOW. And, we're willing to pay to get the right men. If you're experienced, if you're a pro; you're a man we want: Contact Russ Gilbert, Town & Country Dodge, 31015 Grand River, Farmington 474-1234.
