1776-1972

"We hold these Truths to be self-evident, that all Men are created equal . . . that they are endowed by their Creator with certain inalienable rights, that among these are Life, Liberty, and the Pursuit of Happiness." Thomas Jefferson wrote it . . . our Founding Fathers affirmed it . . . and the Declaration of Independence proclaimed the birth of a nation, based on respect for the human spirit. Today we remember and celebrate it.
