3000 AND YOU'RE A WINNER!

3000 will make this the Year To Remember. The Year Al Kaline made baseball history, an honor shared by only 11 other players, nine of them already in the Hall of Fame. For a man who has played in the All Star Game 16 times and won 10 Gold Gloves for fielding excellence, this new honor will climax an exciting career.

When were you guessing Al would make it? More than 1000 fans in Oakland and Wayne County shared their guesses with us, as they entered the Observer & Eccentric's 3000 Hit Contest. They're all here, listed under the date they predicted Al would make his historic hit. (Coupons were accepted until hit #2990 was made.) To break any possible ties, these entrants have also made two more predictions: the inning in which the hit occurs and an estimate of the official paid attendance of the game in which the hit occurs.

One of these lucky people has won a "Night to Remember" with Al Kaline, courtesy of the Detroit Baseball Club and the Observer & Eccentric Newspapers! This "Night" includes four box-seat tickets to a Tiger baseball game, and a chance to meet Tiger Superstar himself; the winner will also have his picture taken with Al and receive an autographed baseball.

Good going Al!
