NEW FOR 1975
The MONARCH

Never was a new car so precisely right for its time. The idea was to design a car trim enough to deliver today's needed mileage, yet roomy and comfortable for five passengers. To fit the car to people, not fit people to the car. And to get rid of extra inches and pounds that fail to add meaningful room or strength. The Monarch is available in 4 models: 2 door or 4 door, and the more luxurious Ghia 2 door or 4 door. The Monarch comes standard with an economy 6 cylinder engine or you may have your choice of 2 V-8 engines.
