FINE FURNITURE SINCE 1917

A Solid Value In Solid Mahogany

From *Stewart Glass*

Crated of solid South American mahogany, this Philadelphia Highboy is reproduced from an original by Jonathan Gostelow: circa 1770. Notice the Chippendale fretwork, spiraling flame finials, delicate scrolls with rosettes, and the intricately carved shell drawers and cornice. The richly carved knee, cabriole leg and classic claw and ball foot add dignity to the base. This stately piece may appropriately be placed in a living room, dining room, foyer or bedroom—a truly functional piece with a heritage.
