Two sessions will be offered weekly for 3-year-olds and three sessions each week for 4-year-olds. The school is non-sectarian, non-profit and is licensed by the state of Michigan.

The program requests that parents assist at the school several times per month and attend monthly parent meetings. The tuition is \$18 for the two-day program and \$27 for the three-day program.

For information about the nursery school, call Anita Fischer, 569-6458, or Patty Elliott, 642-1824.

Day of activities will benefit MD association

Activities to benefit Muscular Dystrophy Association of America will run from 10 a.m. to 5 p.m. Labor Day in Loehmann's Hunter Square.

The event got started with David R. Martzoff of MarioMax Salon with a zero budget and has spread so that all of the shops at Loehmann's Hunter Square, the restaurants in Tally Hall and the management of the center are now participating.

Discount haircuts will be given by MarioMax stylists, who offer cuts for adults at \$10 and for children \$5 with 100 percent of the proceeds going to combat muscular disorders.

Professional entertainers performing without charge will be The George Brooke Group, Keeps and Lori Jacobs. The George Brooke Group, three musicians and a vocalist offering a wide variety of arrangements, will come through the courtesy of Penny Stein Talent Agency. Keeps is a young rock-and-roll group. Miss Jacobs, a versatile performer with a diverse repertoire, currently is appearing at Nifty Norman's in Walled Lake.

Martzoff promises "a few guest personalities will also be making appearances."

Completes year at West Point

AMONG THE main attractions will be a hot-air balloon on the grounds offering rides for \$5 a person, a skatemo-bile with skate rentals going at \$1 a person and a Moon Walk for youth, 50 cents a walk.

Some of the shops in Hunter Square will be open for business. Tally Hall shops will be offering their unique variety of foods through the benefit hours.

All merchants participating in the event will support the Muscular Dystrophy Association by contributing a percentage of their receipts. Those percentages will be posted in the place of business.

Creating a new nation

Exactly 194 years ago, strong-willed men gathered in Philadelphia to mend and remold a divided land. The Articles of Confederation which had gone into effect in 1781 had failed, and the task of creating a new national government was immense. The Daughters of the American Revolution remind you that the week of Sept. 17-23 is Constitution Week, and urge you to know and to use the liberties provided in the Constitution.
