C'ville Girl Scholarship Nominee

Chris Nicholson, Clarenceville High School senior, has been named a semifinalist in the 1970-71 National Merit Scholarship Program.

Announcement was made by Dr. Raymond Renbarger, high school principal, who said Miss Nicholson was among 538 semifinalists selected from 725 Midwest schools with a total student participation of 37,191.

Nationally, 14,750 semifinalists were selected from some 710,000 students representing 17,000 schools. They will compete for some 3000 merit scholarships to be awarded in 1971.

Semifinalists become finalists by receiving the endorsement of their schools, substantiating their high National Merit Scholarship Qualifying Test (NMQST) performance on a second examination and providing information about their achievements and interests.

Chris is the daughter of Mr. and Mrs. Elmer Nicholson, 18942 Maplewood, Livonia.

Winners of four-year merit scholarships may receive up to \$1,500 a year for four college years, depending on individual need. Winners of the National Merit \$100 scholarships will receive their non-renewable one-time awards upon enrollment as full time students in accredited U.S. colleges or universities.

Names of the winners in the 1970-71 Merit Scholarship program will be announced in the spring of 1971.

Viet Girl Adopted By C'ville

Clarenceville School District has fostered a child. She's 10-year-old Vietnamese Duong Thi Lien.

Lien was "adopted" during this past school year by a group of interested high school students. Evie Chaiken, a 1970 Clarenceville graduate, has been handling correspondence for the group which adopted Lien through auspices of Foster Parents Plan, Inc. (PLAN).

Under PLAN, a child receives a monthly cash grant, clothing, supplies, medical care and the guidance of PLAN's social workers. This totals \$192 a year.

Funds for Lien have been provided through March 1971. Students still are actively engaged in raising money for her. Anyone wishing to make a contribution is asked to contact Donald Meier, assistant principal at Clarenceville high school (477-2140).

C'ville Needs Gas Mower

Thomas Maki, Clarenceville High School industrial arts and power mechanics instructor, is in need of small gas lawnmower engines for use in projects involving his Power Mechanics I and II classes. He asks that anyone with such equipment contact him at the high school (476-2701) for pick up.
