W.D. (BILL) CAMERON
Skiing Writer

'Ski Heil' Season To Start

"Ski Heil", the popular, instructional column about skiing which attracted so much attention from Observerland readers last season, will be resumed on Wednesday, Oct. 7. Written by William ("Bill") Cameron, executive director of the Livonia Y.M.C.A., "Ski Heil" will be a weekly feature of the Observer Newspapers sports section.
Cameron, a member of the Metropolitan Ski Council which includes 5,000 members in the metropolitan Detroit area, is also a member of the board of the central division of the U.S. Ski Association.

HE BECAME interested in skiing some eight years ago while serving as executive director of the Highland Park "Y" where he started indoor and outdoor ski programs at the Highland Park Community College.

Since then he has become an expert and has directed seven European trips to world-famed ski resorts including Austria, France, Switzerland, Italy and Germany.

AT THE moment he is working on his first "Ski Heil" column and making plans for a pre-conditioning ski program that will be conducted at the Livonia "Y" beginning Oct. 6. The course will extend over 10 weeks with two sessions weekly. It is for adults and those interested are urged to call the Livonia "Y".

Cameron is also planning ski trips to the Michigan winter resorts at Boyne Mountain, Cadillac and Traverse City.

Bus Hearing Is Delayed
