A GLAMOROUS SETTING, decorations, fashions by Mignon from Cardinals and beautiful people — all combined for the Glamorama Luncheon, the afternoon affair that once again lived up to its name for the once-a-year affair. More than 600 area women turned out to support the Detroit Cancer Fighters' fund-raising effort in the Raleigh House, Southfield. The Michigan chapter now has its stronghold in the suburbs, made up of women who consistently raise better than their \$50,000 per year pledge to support the California-based pilot medical center, City of Hope.
