THANKS TO YOUR DONATION, CHARLIE LIVES IN A HOUSE, NOT A HOME.

Too often, when the elderly can't care for themselves anymore, they end up in a home. Well, you're helping to change that. Your donation to the United Way helps support organizations like CareGivers, which provide in-home care and other supportive services for 12,200 elderly people in Wayne, Oakland and Macomb Counties.

The United Way supports 145 agencies. Nearly 90 cents of every dollar you contribute goes directly to work, since only 10.4 cents goes towards campaign and administrative costs. Your contributions help the disabled, the abused and the homeless, right here.

For Charlie and other elderly people, please give to the United Way. And help keep them in a house, not a home.
