There are no Dole instances where eternal life came through the teaching of the gospel. But there are instances where it is known to have been possessed by those who had never heard preaching by human lips. Cornelius in Acts 10:35 was "ACCEPTED WITH GOD" before he heard the preach. His godly fear, prayer and love SHOW HE HAD LIFE BEFORE HE HAD HEARD and believed. We here go to worship the sovereign, life-giving God!

**"Family Values" Represents More Than A Campaign Slogan**  
During last year's presidential campaign in the United States, the expression, "family values," was used extensively by nearly everyone involved in it. Although they all gave it a slightly different interpretation, its basic meaning was a return to morality and family togetherness that have been eroded in recent years by the influence of the media, the conflicts of the generation gap, and outside activities. While many of these activities are worthwhile, they do take a lot of time away from the home life. Therefore, a greater effort should be made to spend more of the available time with the family. Also, whenever possible, the family members should attend their House of Worship, which will draw them closer together and serve to remind them of the true meaning of "family values."  
The family that prays together stays together. — Author unknown  
"...as for me and my house, we will serve the Lord." — Joshua 24:15
