# Deficit reduction can be fun.

Belt tightening can be downright exhilarating. Provided, of course, the belt is attached to the seat of a new Volkswagen Jetta™, the first affordable German-engineered road car. The new Jetta gives you everything you expect from a German road car. At a price considerably lower than the GMP.

The Jetta also comes with Volkswagen Protection Plus. A 10-year/100,000-mile limited powertrain warranty. The longest of any car. And there's no deductible. Scheduled maintenance at no charge for two years or 24,000 miles. See your retailer for details. And let's hope your congressman does too.

**\$199**

The most loved cars in the world.
