When we ask you to give the gift of a lifetime, we're not exaggerating.

Some of them have been abused. Others have been abandoned. But they're all victims of the biggest problem facing the Michigan Humane Society: Pet overpopulation. More than 54,000 animals find their way into our shelters each year. And while we're here to help them all, the painful

truth is, we can't do it alone. Which is why we urge you to make a donation to the

Michigan Humane Society this holiday. By doing so, you'll help provide these

animals with food, shelter and the best medical care possible. Your contributions will also afford them something equally important: the opportunity to find a new home. Please give generously. Because without your help, a lot of wonderful animals will never enjoy the most priceless gift of all. Life.

Yes, I would like to help. Here is my donation of \$15 or \$25 or \$50 or \$100 or other.

Please make check payable to Michigan Humane Society, 7401 Chrysler Drive, Detroit, MI 48211.
