First cars on Sunday leave Junction at 7:00 a. m. Cars connect at Northville with those for Plymouth and Wayne over the D. J. & C.

## THE FIRST GAME WAS A CLOSE ONE

Holly Wins a 2-1 Score Game from Farmington

TO PLAY HERE TOMORROW

A Crowd Should Turn Out to See a Game Between the Evenly Matched Teams.

The first base ball game in the Western High League for this season was played last Saturday in Holly, between Farmington and Holly. Holly has been considered the strongest team in the league, and one would naturally think it ought to be so, since they have by far the largest school to pick their players from. On the other hand Farmington's team was not estimated as a dangerous rival by Holly for the championship, since this is the first time the boys representing Farmington High School ever played together in base ball.

The game on Saturday, however, did not show any great superiority that one team possessed over the other. Jones, pitching for Holly, had speed to spare and it took our hitters some time to connect. Gildemeister pitching for Farmington, did not show as much speed as Jones but he showed a deal more head work and fooled Holly's heavy hitters again and again. The result was that up to the seventh inning no run had been scored at all.

The Farmington boys opened up and scored a run in the first of the eighth, and had bases full when the third man struck out. Holly retaliated by scoring two men in

the last half of the eighth owing to a little mix up between Farmington's infield and outfield, for which perhaps no one was to blame, so that the final score was 2 to 1 in favor of Holly. It was a fine game to watch, excitement ran high all the way through; but the crowd was not unkind, and the official, Mr. Smith, of Holly was everything that a good official ought to be. The Farmington boys were well pleased with the way they were treated in Holly.

Farmington's second game in the series is to be played tomorrow, Saturday April 29, at 3:00 p. m. in Farmington, with the Holly team. This game will really decide Farmington's chance in the race for the cup. It looks now as if the honors will rest either with Holly or Farmington, as the other teams confess their inferior strength. If Farmington can win from Holly tomorrow she has a good chance for the championship.

Everybody come out and root for the boys and help them win. It will help the boys; it will help the town; it will help make you happier to see Farmington win out. Your voice will help. Then we expect to count on you for tomorrow's game at 3:00, on the high school ball grounds. The school board have very kindly erected a grand stand on the grounds to accommodate spectators. The stand will seat about 150. The boys are raking and fitting up the grounds so that they'll be in good shape for a fast game of ball tomorrow.

It will pay you to purchase a ticket for the whole season's league games, only 40c; can be had from any of the high school boys at any time. Tickets for single games are 15c.

Milford and South Lyon, two other teams in the western league met last Saturday, when Milford beat South Lyon to the tune of 20 to 3. Farmington meets Milford in Farmington Saturday, May 6.

## MAX GOODRICH LEAVES MANY FRIENDS

Funeral Held Today by Rev. G. E. Gullen and Rev. Stange

AUSPICES OF K. of P. LODGE

Large Attendance and Many Beautiful Floral Tributes

Prof. and Mrs. J. F. Goodrich's only son, Max, passed away at the parental home in Farmington last Tuesday evening, April 25. While not unexpected, Max's death came as a sad blow to his parents and sisters and his many loving friends.

He was stricken with tuberculosis last fall and had been gradually failing until the hour of his death in spite of all that the love of his friends and the skill of Michigan's best physicians could accomplish.

Max was born in Hadley, Mich., March 29, 1887. He graduated from Tuscola schools in 1904. As a student Max was exceptionally brilliant, graduating while still very young and yet with highest honors.

For some time before his illness Max was engaged in business in Plymouth, Mich., where his cheery good nature and unflinching kindness of heart won him many fast friends. He made a host of warm friends here in our midst in Farmington, also, which was certified by the fact that the kind friends of Farmington and elsewhere saw to it that his room never lacked some beautiful floral tribute, and in many little ways that loving sympathy could suggest tried to lighten his burden of pain.

The sympathy of the entire community goes out to Prof. and Mrs. Goodrich in this the darkest experience that perhaps ever comes to parents' lives—the experience of the loss of an only son.

The funeral was held this afternoon at 2 o'clock in the M. E. church, under the auspices of the Knights of Pythias lodge of Plymouth. Clyde Nichols of Detroit, sang "Abide with Me" and "Lead Kindly Light," those two grand old hymns of the church during the service. The services at the church were conducted by Rev. G. E. Gullen and Rev. Mr. Stange.

The service at the grave was entirely under the control of the Knights of Pythias lodge. This service was very beautiful and touching. The brother Knights of the lodge were very devoted and kind and sought to express in every possible way their real affection for, and keen sorrow at the loss of their young brother Knight.

The floral tributes were very numerous and beautiful, from the immediate family, from numerous friends and relatives who came in large numbers from without the county to pay their last respects to one whose clean, upright and joyous life had attracted their deepest affection; also the high school of Farmington and the lower grades each sent a beautiful wreath, not only out of respect for their very popular and efficient principal, Prof. Goodrich, and his family, but because of the real affection they had learned to entertain for his son. The Knights of Pythias lodge of Plymouth sent another very beautiful wreath.

She Straightened Them. Mrs. Clark sent the new maid to her room to fetch a pair of scissors. When she returned, which she did after an unaccountably long absence, her mistress asked if she had any trouble in finding them. "No, ma'am," replied the girl, "but while I got them, they was that bent so no man could use them, so I took them to the kitchen and straightened them out wid a satron. Here they are, ma'am," and she handed Mrs. Clark her much injured manly scissors.

M. E. topics for next Sunday: Morning, "A Satisfied Spirit," evening, "The First Family," being the eleventh in the evening series on the general topic, "When the world was young. Everybody is welcome to any and all of these services.

That inhuman piece of road down toward Detroit is responsible for a terrible flow of profanity every day. It really is remarkable that such a condition should have been allowed to exist at all.
