EIGHT FOR A QUARTER

PROSPECT GOOD FOR REDUCED CAR FARE IN CITY

Will be a Benefit to Suburban Travelers as it Will Tend to Keep City People off the Country Cars

The agreement for the settlement of the street car question in Detroit is the all-absorbing topic of conversation in the city. It certainly looks good to the patrons who will soon be able to ride at the eight for a quarter price on all lines with universal transfers.

One thing that will inure to the benefit of the ruralites is the fact that the cheaper rates on the city cars will tend to keep the city people off the interurban cars so that the suburban people can get the seats to which they are entitled. At the same time country people can change at the city limits if they wish and thereby get the benefit of the lower rate in the city.

Ending the long drawn out controversy between the city and the company will likely mean better service and more extensions whether the city buys or not. There is also a likelihood that the interurban lines will be extended more rapidly hereafter.

THE HUNTING NUISANCE

Country Overrun With Lawless Hunters from the City

Hunters from the city are overrunning Wayne and Oakland counties this fall and they are a decided

nuisance with their dogs and promiscuous shooting. Many of them are law violators for they blaze away at almost anything they see in the shape of a bird. There is a closed season on squirrels in Oakland county until 1914, but complaint is made that many are being shot. It is up to the game warden to get busy and the people generally should aid them.

TEST SHOWS PLENTY OF GOOD, PURE WATER

Village will at Once Put Down a Six Inch Pipe

A test of the new village well showed that the supply of water is adequate for all purposes according to the opinion of those in charge of the work. Continuous pumping with a gasoline engine for several hours failed to show a marked decrease in the supply in the pipe and accordingly a larger pipe will now be put down. It will likely be only a short time until the mains are laid and people can have an unlimited quantity of fine, pure water in their dwellings.

CATTLE BRING FANCY PRICES

John Johnson Sells Herd of 18 Head for \$2500

We learn that the herd of Holstein cattle which John Johnson took to the Michigan Breeders' Consignment Sale at the state fair grounds last week were disposed of at very satisfactory prices. Those owned by Mr. Johnson and Mr. Starkweather were by far the best shown at the sale and found ready sale. Mr. Johnson's herd of 18 head brought \$2550. There were some young stock including several calves. One fine cow brought between \$300 and \$400 and the lowest was \$55 for a young calf. Some of the stock went across the border into Canada and Mr. Johnson was obliged to spend some time in Detroit this week, looking to the formalities attending the shipment of cattle to a foreign country.

Be Careful Where You Love and Loaf in Pontiac

Pontiac people have been annoyed for a long time because loungers persisted in sitting on the curbing which surrounds the court house lot. The supervisors have taken action looking toward the abating of the nuisance. The janitor has been deputized by the sheriff and he will be expected to shoo the loafers away. Another trouble at the county seat has been the practice of loving couples making a meeting place in the woods near the McConnell school. The police will stop the practice. In Pontiac one must be careful where they love and loaf.

TOWN HALL

Hallowe'en Party
At the Town Hall
On Tuesday night
You will surely
See a sight.
Ghosts and Goblins;
Witches, too
Are busy preparing
Fates for you.
The hour is eight;
Don't be late,
But come, be brave,
At any rate

SOMETHING ABOUT OUR COUNTY TAX

REPORT OF COMMITTEE ON EQUALIZATION

State Tax Higher and County Rate Lower Than Last Year

The ways and means committee of the board of supervisors presented its report of the valuation of the townships and city of Pontiac as equalized showing the amount of the state and county tax to be levied. The total valuation of the county as equalized is \$13,430,780. The amount of the state tax is \$128,294.08 and the county tax, \$85,670.

The ways and means committee determined that the rate of taxation for state taxes this year will be \$2.95 and that the county rate is \$1.07 per \$1,000 valuation. The state rate is much higher than usual. It was \$2.49 last year. The county rate is smaller this year. It was \$2.34 last year.

Ensign Botsford Married

Word has been received of the marriage of O. S. Botsford, son of Mr. and Mrs. Frank Botsford, to Miss Frances Kelkins of San Jose, California, on Saturday, Sept. 30. The young man, who was a former Farmington lad, is ensign on the U. S. S. Colorado and has many friends here who are pleased with the progress he is making in the navy. The young couple leave shortly on a two months' vacation and will visit Honolulu.

Organized a Men's Class

In spite of the inclement weather, sixteen men gathered last Sunday at 11:30 a. m. in the vestry of the M. E. church to organize a men's class. Officers were elected as follows: S. D. Harger, president; Dr. J. A. Miller, vice president; Edgar S. Pierce, secretary; Howard Warner, treasurer. The men are determined to have a prosperous class. They are already busy inviting others. They invite you to be present next Sunday, 11:30 to 12:30.

Married Wednesday Evening

On Wednesday evening of this week the marriage of Carl Shear of Beech to Miss Cora Lacey of Detroit took place at the home of the bride's parents in the city. The ceremony was in the presence of only relatives and immediate friends of the families and was performed by Rev. Loomis, the Redford Methodist pastor.

The bride, who is a very charming young lady, has many friends in this section, while the happy groom is also well known as he is a member of the mercantile firm of J. F. Shear & Son of Beech.

A very large circle of friends shower their very best wishes on this worthy couple and hope for a long and happy career of married life for them.

Clarenceville is Growing

The little town of Clarenceville is growing and will soon be taking on Metropolitan airs. Mr. Barker is building a new cement block store a short distance west of his present location, which he will occupy Jan. 1st.

The Nacker Bros., Clayton and George, have just opened a new general store in the building on the corner and have a good stock of general merchandise on hand. They have many friends in that vicinity and will doubtless do a good business.

V. G. Lockwood, the implement dealer, is pushing business and draws many farmers to the little village.

MEDICINE APT TO BE NEEDED should always be kept on hand for emergencies. No house should be without a medicine cabinet, which should be well stocked with OUR HOUSEHOLD REMEDIES, PLASMERS, ANTISEPTIC COTTON, ETC.

We shall be glad to make you up a list of things you ought to have, and to supply them. A remedy when needed will save much suffering and much expense.

T. H. MCGEE, DRUGGIST FARMINGTON
